The Residential Owners shall have the right to (a) relocate the boundaries of and between two adjoining Residential Units, (b) physically combine a part of or combination of parts of the space of one such Residential Unit with a part of or combination of parts of the space within one or more adjoining Units, and/or (c) to physically combine one or more Residential Units with an adjoining Residential Unit; provided, however, no Unit shall be subdivided to create more Units. In order to accomplish such relocation or combination, a Residential Owner may knock down or create additional interior walls subject to the terms of this Section and any other applicable provisions of this Declaration. Upon the relocation or combination of any Residential Units, the Residential Unit(s) resulting from such relocation or combination shall be allocated the undivided interest of the predecessor Residential Units in and to the General Common Elements and the Limited Common Elements-Residential on a square footage basis. Such allocation shall be reflected by an amendment to Exhibit B hereto. A Residential Owner must first obtain the consent of the Executive Board and all necessary approvals from any governmental authority having jurisdiction over the Project and, if applicable, the Design Review Board, before exercising its rights herein. The cost and expense incurred for legal, architectural and/or engineering fees and all other costs and expenses incurred by the Association shall be borne by the party requesting such a change.

Section 3.3 Procedures for Relocation or Combination. In order to relocate the boundaries of or combine any Condominium Units as provided above, the Owner(s) of such Condominium Units shall submit an application to the Executive Board, which application shall be executed by such Owner and shall include (a) evidence that the proposed relocation of the boundaries of or combination of a Condominium Unit or Units complies with all building codes, fire codes and other applicable ordinances or resolutions adopted and enforced by the Association, the Design Review Board, the Town, Eagle County, and/or the State of Colorado, and that the proposed action does not violate the terms of any Mortgage encumbering the Condominium Unit(s), (b) the proposed reallocations, (c) the proposed form of amendments to this Declaration, including the Map, as may be necessary to show the Condominium Unit or Units which are created by the relocation or combination of a Condominium Unit or Units and their dimensions and identifying numbers, (d) a deposit against attorneys' fees and costs which the Association may incur in reviewing and effectuating the transaction, in an amount reasonably estimated by the Executive Board, (e) evidence satisfactory to the Executive Board that the Owner has obtained or caused to be obtained all requisite insurance in connection with any construction required to effect the proposed action, (f)

indemnification of the Association by the Owner for any and all matters relating to the proposed action, and (g) such other information as may be reasonably requested by the Executive Board.

Section 3.4 No Additional Units. Notwithstanding any contrary provision in this Declaration, for a period of ten (10) years following the date of this Declaration, the aggregate number of Residential Units and the aggregate square footage of all Commercial Units as reflected on the Condominium Map recorded contemporaneously with this Declaration may not be increased without the prior written consent of Declarant, which consent may be withheld in Declarant's sole and subjective discretion.

Section 3.5 Delineation of Unit Boundaries. The boundaries of each Individual Air Space Unit are delineated and designated on the Map by an identifying number, and those numbers are set forth on Exhibit B.

Section 3.6 Inseparability of Condominium Unit. No part of a Condominium Unit or of the legal rights comprising ownership of a Condominium Unit may be partitioned or separated from any other part thereof during the period of condominium ownership prescribed in this Declaration. Subject to the provisions of this Article 3, each Condominium Unit shall always be conveyed, transferred, devised, bequeathed, encumbered, and otherwise affected only as a complete Condominium Unit. Every conveyance, transfer, gift, devise, bequest, encumbrance, or other disposition of a Condominium Unit or any part thereof shall be presumed to be a disposition of the entire Condominium Unit, together with all appurtenant rights and interests created by law or by this Declaration.

Section 3.7 Nonpartitionability of Common Elements. Subject to the provisions of this Article, the Common Elements shall be owned in common by all of the Owners of Condominium Units and shall remain physically undivided; provided, however, the Limited Common Elements appurtenant to particular Unit(s) or classes of Units shall be for the exclusive use of, enjoyment by and control by the Owner(s) of such benefited Unit(s). No Owner shall bring any action for partition or division of the Common Elements. By acceptance of a deed or other instrument of conveyance or assignment to a Condominium Unit, each Owner of the Condominium Unit shall be deemed to have specifically waived such Owner's right to institute or maintain a partition action or any other cause of action designed to cause a division of the Common Elements, and this Section may be pleaded as a bar to the maintenance of such an action. Any Owner who shall institute or maintain any such action shall be liable to the Association and hereby agrees to reimburse the Association for the Association's costs, expenses, and reasonable attorneys' fees in defending any such action. Such amounts shall automatically become a default Assessment determined and levied against such Owner's Unit and enforced by the Association in accordance with Sections 6.9, 6.10 and 6.11 below.

The granting of easements by a majority of voting Directors of the Executive Board, for public utilities, for access by pedestrians or for other public purposes not inconsistent with the intended use of the Common Elements, shall not be deemed a transfer requiring any consent of the Owners.

Section 3.8 Rights and Easements. Every Owner and the guests, tenants, invitees and licensees of each Owner shall have a perpetual right and easement of use and enjoyment of the General Common Elements, which rights and easements shall be appurtenant to and pass with the transfer of title to such Condominium Unit; provided, however, that such right and easement shall be subject to the following:

3.8.1 The covenants, conditions, restrictions, easements, reservations, rights-of-way, and other provisions contained in this Declaration, the Master Declaration, the Design Declaration, and the Map, including, without limitation, the easements set forth in Article 11 below;

3.8.2 The right of the Association to regulate on an equitable basis the use of the Common Elements from time to time; and

3.8.3 The rights and powers of the Master Association to the extent of the Master Association's rights or interests in the General Common Elements; and

3.8.4 The right of the Association to adopt, from time to time, any and all rules and regulations concerning the Common Elements as the Association may determine is necessary or prudent including, without limitation, the imposition of fees for the use of certain amenities.

Notwithstanding the foregoing or any contrary provision herein, the Association shall take no action or adopt any rule or regulation which (a) unreasonably restricts any Owner of a Condominium Unit or its guests', tenants', employees', customers' and licensees' right of access over, across and upon the General Common Elements, (b) impairs and diminishes any right or power of the Commercial Owners without the prior written consent of the Commercial Owners, which consent may be withheld in their sole and absolute discretion, or (c) prohibits or unreasonably restricts the long-term or short-term renting of a Residential Unit.

Section 3.9 Limited Common Elements. Subject to the provisions of this Declaration, every Owner shall have the exclusive right to use and enjoy the Limited Common Elements appurtenant to its Condominium Unit. The Map shall specify to which Condominium Unit or Units each Limited Common Element is allocated.

Section 3.10 Redesignation of Common Elements. Any redesignation of the boundaries of the Common Elements or redesignation of the General Common Elements to Limited Common Elements shall, in addition to other approval required by the Act, be approved by the Executive Board and by sixty-seven percent (67%) or more of the total votes of all Owners of Condominium Units. Limited Common Elements may be reallocated among Units as provided in section 38-33,3-208(2) of the Act.

ARTICLE 4 MEMBERSHIP IN ASSOCIATION

Section 4.1 Association Membership. Every Owner of a Condominium Unit shall be a member of the Association and shall remain a member for the period of the Owner's ownership of a Condominium Unit. No Owner, whether one or more persons, shall have more than one membership per Condominium Unit owned, but all of the persons owning a Condominium Unit shall be entitled to rights of membership and of use and enjoyment appurtenant to ownership of a Condominium Unit. Membership in the Association shall be appurtenant to, and may not be separated from, ownership of a Condominium Unit. However, any Owner may appoint, in a written instrument furnished to the secretary of the Association, a delegate to exercise the rights of such Owner as a member of the Association, and in the event of such appointment, the delegate shall have the power to cast votes on behalf of the Owner as a member of the Association, subject to the provisions of and in accordance with the procedures more fully described in the bylaws of the Association.

Section 4.2 Classes of Membership. There shall be two (2) classes of membership in the Association as follows:

4.2.1 Residential Unit Members. All Owners of Residential Units, including Declarant so long as Declarant continues to own an interest in a Residential Unit.

4.2.2 Commercial Unit Members. All Owners of the Commercial Units, including Declarant so long as Declarant continues to own an interest in a Commercial Unit.

4.2.3 Election of Directors. During the Declarant Control Period as more particularly described in Section 4.6 below and in the bylaws of the Association, the Directors shall be appointed by the Declarant without regard to the classes of Directors or the election thereof by certain

classes of Members as described in this subsection below. The initial Executive Board shall consist of three (3) persons. After expiration of the Declarant Control Period, the Executive Board shall consist of five (5) persons, of which the Residential Owners shall be entitled to nominate and elect four (4) of the five (5) and the Commercial Owners shall be entitled to nominate and elect one (1) of the five (5).

Section 4.3 Voting Rights. Any matter to be voted upon by the Owners of the Condominium Units shall permit each Owner a vote equal to the same number which is described as a percentage interest in the Common Elements allocated to such Owner's Unit as set forth in Exhibit B to this Declaration, multiplied by 100. All voting rights may be exercised subject to and in accordance with the provisions of the bylaws of the Association. The Association shall not have a vote with respect to any Condominium Unit which may be owned by it. Declarant shall be entitled to vote with respect to Condominium Units owned by it.

Section 4.4 Class Voting. An individual class of Owners shall at times vote on matters affecting that class only, including, without limitation, the election and removal of directors representing that class and budgeted costs allocated to a specific class of Owners. In connection with such class votes, (a) notice shall be given of a meeting of the class of Residential Owners or Commercial Owners exclusively and conduct a vote on the matter affecting only that class in order to protect the legitimate, valid interest of such class, and (b) each Unit within the applicable ownership class shall be allocated a voting interest equal to the number of votes allocated to such Unit (as calculated pursuant to Section 4.3 above) as a percentage of the total votes allocated all Units within that class (as calculated pursuant Section 4.3).

Section 4.5 Class Disputes. In the event that a dispute arising between the classes of directors on the Executive Board (a) as to whether a matter is subject to the authority of entire Executive Board or membership or is limited to the authority of a particular class of directors or members, or (b) due to a deadlock existing between the residential and commercial members of the Executive Board, then such matter shall be submitted to binding arbitration in Eagle County, Colorado, in accordance with the rules of the American Arbitration Association then in effect. The decision of the arbitration shall be final and binding on the parties and judgment may be entered thereon in a court having jurisdiction over the Association. The arbitrator shall be appointed by the Executive Board, which appointment shall require, in addition to the affirmative vote of a majority of voting directors, the affirmative vote of at least one (1) director from each class of directors. In the event the Executive Board is unable to do so within ten (10) days of submitting this matter to arbitration, the arbitrator shall be designated by the chief judge in the District Court of Eagle County, Colorado. The cost and expense of the arbitrator shall be deemed an expense of the Association.

Section 4.6 Declarant Control. Notwithstanding anything to the contrary provided for herein or in the bylaws of the Association, Declarant shall be entitled to appoint and remove the members of the Executive Board and officers of the Association to the fullest extent permitted under the Act. The specific restrictions and procedures governing the exercise of Declarant's right to so appoint and remove Directors and officers shall be set out in the bylaws of the Association. Declarant may voluntarily relinquish such power evidenced by a notice recorded in the Office of the Clerk and Recorder for the County of Eagle, Colorado, but in such event, Declarant may at its option require that specified actions of the Association or the Executive Board as described in the recorded notice, during the period Declarant would otherwise be entitled to appoint and remove directors and officers, be approved by Declarant before they become effective.

Section 4.7 Owners' and Association's Address for Notices. All Owners of each Condominium Unit shall have one and the same registered mailing address to be used by the Association or other Owners for notices, demands, and all other communications regarding Association matters; provided, however, notices for member meetings will be provided in the manner set forth in the bylaws of the Association. The Owner or Owners of a Condominium Unit shall furnish such registered address to the

secretary of the Association within five (5) days after transfer of title to the Condominium Unit to such Owner or Owners. Such registration shall be in written form and signed by all of the Owners of the Condominium Unit or by such persons as are authorized by law to represent the interests of all Owners of the Condominium Unit.

If no address is registered or if all of the Owners cannot agree, then the address on the Warranty Deed for the Condominium Unit shall be deemed their registered address until another registered address is furnished as required under this Section.

If the address of the Condominium Unit is the registered address of the Owners, then any notice shall be deemed duly given if delivered to any person occupying the Condominium Unit or, if the Condominium Unit is unoccupied, if the notice is held and available for the Owners at the principal office of the Association.

Any notice delivered to a First Mortgagee in accordance with the terms of this Declaration shall be sent to the address for such party specified in the First Mortgage unless the First Mortgagee notifies the Association in writing of a different address.

All notices and demands intended to be served upon the Executive Board shall be sent to such address as the Executive Board may designate from time to time by notice to all of the Owners.

All notices given in accordance with this Section shall be sent by personal delivery, which shall be effective upon receipt; by overnight courier service, which shall be effective one business day following timely deposit with the courier service; by regular, registered or certified mail, postage prepaid, which shall be effective three (3) days after deposit in the U.S. mail; or by electronic mail notices to the extent permitted by Colorado law, which shall be effective upon the date of mailing.

Notwithstanding any contrary provision in this Declaration as related to notices, communications or deliveries to Directors, Owners, Mortgagees, purchasers of a Condominium Unit or other parties and/or as related to voting or consents by Directors, Owners or Mortgagees, to the extent presently or in the future permitted by applicable law, the Association shall be authorized, in lieu of the requirements in this Declaration, to provide notices, communications or deliveries via email transmission or by other permissible electronic means, and Directors, Owners or Mortgagees shall be permitted to vote or consent by email or other permissible electronic means. At the discretion of the Executive Board and to the extent permitted by law, electronic notices, communications or deliveries may be provided in addition to any required written and mailed notice, communication or delivery.

ARTICLE 5 MAINTENANCE RESPONSIBILITIES AND ASSOCIATION MATTERS

Section 5.1 Association Responsibilities. Except as otherwise expressly provided in this Declaration or the Master Declaration, or by written agreement with the Association or Master Association, the Association shall be responsible for the administration, operation, management, control, maintenance, repair, replacement, and improvement of (a) the General Common Elements and all facilities, furnishings, and equipment related thereto, including, without limitation, all exterior windows (i.e., window panes, frames and operational mechanisms) and exterior doors (i.e., doors, door frames and hardware serving such doors), and (b) those Limited Common Elements and/or portions of the Condominium Units that the Association elects to maintain pursuant to Section 5.2.2 below. The Association shall keep same in a first-class manner to a level consistent with their original quality. The expenses, costs, and fees of such management, operation, maintenance, and repair by the Association shall be part of the Assessments, and accordingly, will not require the prior approval of the Owners in order for the Association to pay any such expenses, costs, and fees (other than the budget ratification required by Section 6.5 below). The Association

shall have the sole discretion to determine the time and manner in which such maintenance shall be performed as well as the color or type of materials used to maintain the Common Elements. Notwithstanding the foregoing, in the event insurance proceeds under Article 7 are payable to an Owner but the maintenance responsibility of the area to which such proceeds relate is the Association's, the Association shall complete any such repair or replacement at the Owner's cost. Further, Owners acknowledge that they may be responsible for the cost of repair of any damage or for the deductible amount on the Association's insurance related to such damage, even if resulting from failures of the Common Elements, in the manner described in Article 7 below.

Section 5.2 Owner Maintenance Responsibilities.

5.2.1 Except as otherwise expressly provided in this Declaration or the Master Declaration, or by written agreement with the Association or Master Association, all maintenance of the Condominium Units and all improvements located on or comprising part of a Condominium Unit or a Condominium Unit's Limited Common Elements shall be the sole responsibility of the Owner thereof, who shall maintain the Condominium Unit and appurtenant Limited Common Elements in accordance with the maintenance standard set forth in Section 5.1 above. Each Owner of a Condominium Unit shall also be responsible for interior window washing and the regular maintenance of window and door operational mechanisms. All fixtures, equipment, and utilities installed and included in an Individual Air Space Unit serving only that Condominium Unit shall be maintained and kept in repair by the Owner of that Unit. Any maintenance and repair visible from outside of a Unit by an Owner shall maintain a consistent and harmonious appearance among the Condominium Units as reasonably determined by, and subject to the approval of, the Executive Board. Each Owner shall have the exclusive right and duty to paint, tile, paper, decorate or otherwise manage, maintain and repair the interior surfaces of the walls, floors, ceilings, and doors forming the boundaries of such Owner's Individual Air Space Unit and all improvements inside of the framing elements of the Individual Air Space Unit such as but not limited to drywall, flooring and ceiling improvements. All work by an Owner shall comply with all procedures and rules of the Association and, as applicable, the Master Association.

5.2.2 Notwithstanding the foregoing maintenance responsibilities of the Owners, the Association may, without obligation, elect to maintain, replace, repair or alter any exterior element (e.g., exterior decks and railings) for the Condominium Units and/or any Limited Common Elements so as to maintain such elements in good order and repair and in an attractive, functional and harmonious appearance, and the cost of same shall be charged to the applicable Unit(s) as part of that Unit(s)' annual or special Assessment.

5.2.3 An Owner shall not allow any action or work that will impair the structural soundness of the improvements, impair the proper functioning of the utilities, heating, ventilation, or plumbing systems or integrity of the Building, or impair any easement or hereditament. Except as otherwise set forth in Section 10.4, no Owner shall alter any Common Elements without the prior written consent of the Executive Board. Notwithstanding the foregoing, any maintenance or repair performed on or to the Common Elements by an Owner or occupant which is the responsibility of the Association hereunder shall be performed at the sole expense of such Owner or occupant, and the Owner or occupant shall not be entitled to reimbursement from the Association even if the Association accepts the maintenance or repair.

Section 5.3 Reserve Account. The Association shall establish and maintain, as part of its budget and out of the installments of the annual Assessments, an adequate reserve account for maintenance, repair, or replacement of those Common Elements that must be replaced on a periodic basis. Such capital reserves will be based on reserve studies conducted by the Association pursuant to its Policies for Investment of Reserve Funds and Performance of Reserve Study.

Section 5.4 Owner-Caused Damage; Insurance Responsibilities. In the event that the need for maintenance, repair, or replacement of all or any portion of the Common Elements or of any Individual Air Space Unit is caused through or by the act, omission or neglect of an Owner, or by any member of an Owner's family, or by an Owner's guests, invitees, licensees or tenants, then the expenses incurred by the Association for such maintenance, repair, or replacement and/or any insurance deductible related to such maintenance, repair or replacement shall be a personal obligation of such Owner. Owners may be further liable for non-insured losses (or losses below the applicable insurance deductible) and for insurance deductibles or portions thereof, even if not at fault, in accordance with this Declaration. If an Owner fails to repay the obligations of such Owner as outlined in this Section above within thirty (30) days after notice to the Owner of the amount owed, then the failure to so repay shall be a default by the Owner under the provisions of this Section, and such expenses shall automatically become a default Assessment determined and levied against such Unit, enforceable by the Association in accordance with Sections 6.9, 6.10 and 6.11 below.

Section 5.5 Delegation of Management and Maintenance Duties. The Executive Board may delegate all or any part of its powers and duties to a Managing Agent, including Declarant, or to the Master Association upon the consent of such party; however, the Executive Board, when so delegating, shall not be relieved of its responsibilities under this Declaration and no such delegation shall modify specific requirements in the Association Documents for approval of certain actions by the Executive Board or members of the Association. Notwithstanding any provisions contained in this Declaration to the contrary, it is the intent of this Declaration that the Executive Board shall not be able to independently terminate the Management Agreement pursuant to section 38-33.3-305 of the Act without the approval of Owners representing a majority of the votes in the Association.

Section 5.6 Acquiring and Disposing of Personal Property. The Association may acquire, own, and hold for the use and benefit of all Owners tangible and intangible personal property, and may dispose of the same by sale or otherwise. Each Owner may use such personal property in accordance with the purposes for which it is intended as set forth in the rules and regulations of the Association, without hindering or encroaching upon the lawful rights of other Owners.

Section 5.7 Pledge of Future Income. The Association is authorized to pledge and assign its right to future income, including the right to receive Assessments, as collateral for loans or to secure other monetary obligations of the Association, subject to any membership approval of such loan or obligation as required by Section 6.6 below.

Section 5.8 Cooperation with Master Association and Other Associations. The Association may contract or cooperate with the Master Association, the Confluence Metropolitan District or other metropolitan district, or with other homeowners' associations or entities within Riverfront Village as convenient or necessary to provide services and privileges, such as access to recreational facilities in Riverfront Village, and to fairly allocate costs among the parties utilizing such services and privileges which may be administered by the Association or such other organizations, for the benefit of Owners and their family members, guests, tenants and invitees. The costs associated with such efforts by the Association (to the extent not chargeable to other organizations) shall be a Common Expense.

Section 5.9 Issuance of Rules and Regulations. The Executive Board may, by a majority of the voting Directors, make and amend reasonable rules and regulations governing the use and operation of the Common Elements, subject to the express restrictions of Section 3.9 above or elsewhere in this Declaration. The Residential Director may make and amend reasonable rules and regulations governing exclusively the Limited Common Elements-Residential or exclusively residential matters. The Commercial Director may make and amend reasonable rules and regulations governing exclusively the Limited Common Elements-Commercial or exclusively commercial matters. The Executive Board shall comply with the Association's

policies and procedures for the adoption and amendment of rules and regulations. Owners acknowledge that the Association holds full authority to adopt rules and regulations governing the Common Elements.

Section 5.10 Enforcement of Association Documents. The Association or any aggrieved Owner may take judicial action against any Owner to enforce compliance with such rules and regulations and with the other provisions of this Declaration and other Association Documents to obtain damages for noncompliance or for injunctive relief, or both, all to the extent permitted by law.

Section 5.11 Identity of Executive Board and Managing Agent. From time to time, but no less than annually, there shall be communicated to the Owner by the Association the names and addresses of the members of the Executive Board and the Managing Agent, if any.

Section 5.12 Payments to Working Capital Account. In order to provide the Association with adequate working capital funds, the Association shall collect an amount equal to twenty-five percent (25%) of the then-current annual Assessments at the time of each sale and conveyance of a Unit. The Association shall maintain the working capital funds to meet unforeseen expenditures or to acquire additional equipment or services in connection with the Common Elements for the benefit of the members of the Association, subject to the budget approval procedures of Section 6.5 below. Such payments to this fund shall not be considered advance payments of annual Assessments. When the Unit is sold and conveyed, the working capital contribution paid by each Owner shall be returned to the Owner, provided that the subsequent purchaser of the Unit has contributed the required working capital to the Association.

Section 5.13 Implied Rights. The Association may exercise any and all other rights or privileges given to it by this Declaration, or by the other Association Documents, or as may otherwise be given to it by law, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to the Association in the Association Documents or reasonably necessary to effectuate any such right or privilege.

Section 5.14 Books and Records of the Association. The Managing Agent or the Executive Board, as the case may be, shall keep detailed, accurate records of the receipts and expenditures affecting the Common Elements and shall maintain such other books and records as may be required under the Act. Owners and Mortgagees may inspect the records of receipts and expenditures of the Managing Agent or the Executive Board according to the terms and conditions set forth in the Responsible Governance Policies of the Association relating to inspection of the Association records. In addition, the other books, records, and papers of the Association, including this Declaration, the articles of incorporation and the bylaws of the Association, as well as any Management Agreement and any rules and regulations of the Association, shall be available for inspection by any Owner or Mortgagee according to the terms and conditions set forth in the Responsible Governance Policies of the Association relating to inspection of Association records.

ARTICLE 6 ASSESSMENTS

Section 6.1 Covenant of Personal Obligation of Assessments. Declarant and every other Owner, by acceptance of the deed or other instrument of transfer of its Condominium Unit (whether or not it shall be so expressed in such deed or other instrument of transfer), is deemed to personally covenant and agree with the Association, and hereby does so covenant and agree to pay to the Association the (a) annual Assessments, (b) special Assessments, and (c) default Assessments applicable to the Owner's Condominium Unit. No Owner may waive or otherwise escape personal liability for the payment of the Assessments provided for in this Declaration by not using the Common Elements or the facilities contained in the Common Elements or by abandoning or leasing its Condominium Unit. The Association is authorized pursuant to Section 6.2.6 below to levy and collect from Owners of Condominium Units the Assessments owing to the Master Association as part of the Association's own assessment procedures and to promptly

remit such Assessments collected by the Association to the Master Association. In accordance with Section 38-33.3-315(1) of the Act, Declarant shall pay all Common Expenses until the Association levies its first Assessment to Owners. In the event Assessments have not first been levied by the Association at the time of any conveyance of a Condominium Unit from Declarant to an Owner, then that Owner shall not be obligated for Common Expenses until the first levy of Assessments, which the Association may effect at any time upon written notice to Owners.

Section 6.2 Purpose of Assessments. The Assessments levied by the Association shall be used for the purpose of promoting the health, safety, convenience, and general welfare of the Owners and the improvement and maintenance of the Common Elements and of the services and facilities located on the Common Elements. Proper uses of the Assessments shall include, but are not limited to, the following:

6.2.1 Repairing, replacing, renovating, maintaining and improving any of the Common Elements;

6.2.2 Installing, maintaining, and repairing utilities upon, across, over, and under any part of the Project which are not conveyed to and accepted by utility companies;

6.2.3 Furnishing trash pickup, recycling and/or compost services and water, sewer and utility services and other services to the Project;

6.2.4 Obtaining maintaining and administering insurance in accordance with the provisions of Article 7 below;

6.2.5 Establishing and maintaining reserves for repairs, replacement, maintenance, taxes, capital improvements, and other purposes;

6.2.6 Paying expenses assessed to the Owners pursuant to the Master Declaration;

6.2.7 Carrying out all other powers, rights, and duties of the Association specified in the Association Documents; and

6.2.8 Generally, addressing any other expenses necessary to meet the purposes of the Association as determined by the Executive Board.

Section 6.3 Amount of Total Annual Assessments. The total annual Assessments against all Condominium Units shall be based upon the Association's advance budget of the cash requirements needed by it to provide for the administration and performance of its duties during such fiscal year, as approved pursuant to Section 6.5 below, which estimates may include, among other things, the costs associated with the items enumerated in Section 6.2 above, together with any other costs and fees which may reasonably be expected to be incurred by the Association for the benefit of the Owners under or by reason of the Association Documents. In the event of surplus funds remaining after payment of or provision for Common Expenses and any prepayment of or provision for reserves, the Executive Board may within its discretion apply the surplus funds (a) into reserves, (b) toward the following year's Common Expenses, (c) toward a credit to Owners against future Assessments or in the form of a distribution, or (d) any combination of the foregoing.

Section 6.4 Apportionment of Annual Assessments.

6.4.1 Each Owner shall be responsible for that Owner's share of the Common Expenses of the Association. The total annual Assessment for any fiscal year of the Association shall be assessed to the Condominium Units in accordance with the percentage interest in the Common Elements allocated to each Unit as set forth in Exhibit B to this Declaration (or, with respect to Common Expenses

allocated to a particular class of Owners, in accordance with the relative percentage interests in the Common Elements allocated to Units within that class as set forth in Exhibit B); provided, however, that the allocation of Common Expenses (other than those Assessments excepted from such reduction as described in items (a) through (c) immediately below) to a Deed Restricted Unit shall equal to one-half (0.5) of the percentage allocation otherwise attributable to such Deed Restricted Unit as set forth in Exhibit B, including annual Assessments as discussed in Section 6.3 above, Assessments for Limited Common Elements as discussed in Section 6.4.2 below and special Assessments as discussed in Section 6.6 below). The reduction in the allocation of Common Expenses to Deed Restricted Units as set forth in the prior sentence, however, shall not apply to:

(a) Those Common Expenses assessed by the Association for reserves as described in Section 5.3 above, and Common Expenses for the Association's reserves shall be assessed to all Condominium Units, including the Deed Restricted Units, in accordance with the relative percentage interest in the Common Elements allocated to each Unit as set forth in Exhibit B.

(b) Default Assessments chargeable against a defaulting Owner of a Deed Restricted Unit as described in Section 6.9 below.

(c) For clarity, the foregoing reduction in the allocation of Common Expenses to Deed Restricted Units does not apply to assessments of the Master Association, which assessments are allocated pursuant to the terms of the Master Declaration and do not provide for a reduction for Deed Restricted Units.

6.4.2 Subject to Section 6.4.1 above with respect to a reduction in annual and special Assessments assessed to the Deed Restricted Units, Assessments shall be levied to the applicable Condominium Unit(s) for costs chargeable to such individual Unit(s) as provided in this Declaration, including, without limitation, expenses for maintaining, repairing, replacing, or improving any Limited Common Element allocated to such Unit(s); expenses of maintaining, repairing and replacing other exterior elements of such Unit(s); costs of insurance premiums in proportion to risk (if reasonably determinable) and/or insurance deductibles in the manner discussed in Article 7 below; costs of utilities assessed in proportion to usage if the same are separately measured or to the extent the same can otherwise be fairly and equitably attributed to the Condominium Unit(s); expenses chargeable to a particular Owner or Owners as provided in this Declaration or the Association Documents; and other expenses that directly benefit one or more, but less than all, of the Condominium Units and the general allocation of such expenses would be unfair and inequitable to other Owners.

6.4.3 The Executive Board shall determine the applicable budgeting category for each cost and expense of the Association, subject to the Owners' right to veto the budget pursuant to Section 6.5 below. Notwithstanding the foregoing, in the event of any dispute between the Residential Owners and the Commercial Owners (or between the residential and commercial representatives on the Executive Board) regarding the allocation of Common Expenses between the budgeting categories, then such issue shall be submitted to binding arbitration in Eagle County, Colorado in accordance with Section 4.5 above.

Section 6.5 Annual Budget. Within ninety (90) days after the adoption of any proposed budget for the Association, the Executive Board shall mail, by ordinary first-class mail, or otherwise deliver a summary of the budget to all Owners and shall set a date for a meeting of the Owners to consider ratification of the budgets. Such meeting shall occur within a reasonable time after mailing or other delivery of the summary. The Executive Board shall give notice to the Owners of the meeting as allowed for in the bylaws. The budget proposed by the Executive Board does not require approval from the Owners and it will be deemed approved by the Owners in the absence of a veto at the noticed meeting by a majority vote of all votes in the Association. With respect to any budget adopted by a particular class of Director(s) representing that ownership class, such class budget will be deemed approved by the class of Owners in the

absence of a veto at the noticed meeting by a majority vote of all votes within such ownership class. In the event a proposed budget is not ratified or the Executive Board fails for any reason to determine the budget for the succeeding year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the then-current year shall continue for the succeeding year. The Executive Board shall levy and assess the Association's annual Assessments in accordance with the annual budget.

Section 6.6 Special Assessments; Loans. In addition to the annual Assessments authorized above, the Executive Board may at any time and from time to time determine, levy, and assess in any fiscal year (without the vote of the members of the Association, except as provided in the Act and in this Section below) a special Assessment applicable to that particular fiscal year (and for any such longer period as the Executive Board may determine) for the purpose of defraying, in whole or in part, the unbudgeted costs, fees, and expenses of any construction, reconstruction, repair, demolishing, replacement, renovation or maintenance of the Common Elements or of any facilities located on the Common Elements, specifically including any fixtures and personal property related to it. Any amounts determined, levied, and assessed pursuant to this Declaration shall be assessed to the Condominium Units in the same percentages as are applicable to annual Assessments; provided, however, that any extraordinary insurance costs incurred as a result of the value of a particular Owner's Condominium Unit or the actions of a particular Owner (or his agents, servants, guests, tenants, or invitees) shall be borne by that Owner. Special Assessments shall be based upon a budget adopted in accordance with Section 6.5 above; provided, however, that the Association may adopt, if necessary, a new budget pursuant to Section 6.5 prior to levying a special Assessment. Such special Assessment(s) shall be due and payable as determined by the Executive Board.

Notwithstanding the foregoing or any contrary provision herein, in the event that the Executive Board, as part of a single proposal or as part of more than one proposal that nonetheless involves a single or integrated plan, proposes (a) a Special Assessment, or series of periodic Special Assessments, (b) a loan or other monetary obligation, and/or (c) an increase in annual Assessments, each of which alone or all in combination exceed twenty percent (20%) of the prior year's annual budget of the Association, such proposal(s) must be approved by the Executive Board, with the approval of at least one (1) director representing each class of ownership in the Association, and a vote of a majority of the votes of any quorum of Owners present at a meeting called for such purpose.

Section 6.7 Due Dates for Assessment Payments. Unless otherwise determined by the Executive Board, the annual Assessments and any special Assessments which are to be paid in installments shall be paid quarterly in advance and shall be due and payable to the Association at its office or as the Executive Board may otherwise direct in any Management Agreement, without notice (except for the notices required by this Article 6), on the first day of each calendar quarter. The Association may, without obligation, collect from Owners assessments owing to the Master Association and remit same to the Master Association. If the event of delinquent payments, then the Board may assess a "late charge" on the installment, impose interest on the outstanding amount and assess other costs and charges as set forth in the Collections Policy of the Association. An Owner's Assessment shall be prorated if the ownership of a Condominium Unit commences or terminates on a day other than the first day or last day, respectively, of a calendar quarter or other applicable payment period.

Section 6.8 Declarant's Obligation to Pay Assessments. Declarant shall be obligated to pay the annual and special Assessments (including installments thereof) on each Unit owned by it.

Section 6.9 Default Assessments. All monetary fines assessed against an Owner pursuant to the Association Documents, or any expense of the Association which is the obligation of an Owner in accordance with this Declaration or the Association Documents, shall become liens against such Owner's Unit which may be foreclosed or otherwise collected as provided in this Declaration and the Association Documents. Notice of the amount and due date of such default Assessment shall be sent to the Owner subject to the Assessment at least thirty (30) days prior to the due date.

Section 6.10 Lien for Assessments. The annual, special, and default Assessments (including installments of the Assessments) arising under the provisions of this Declaration (together with any and all interest, costs, late charges, expenses, and reasonable attorneys' fees, including legal assistants' fees, which may arise under the provisions of Section 6.11 below) shall be burdens running with, and a perpetual lien in favor of the Association upon, the specific Unit to which such Assessments apply. To further evidence such lien upon a specific Unit, the Association may, but shall not be obligated to, prepare a written lien notice setting forth the description of the Condominium Unit, the amount of Assessments on the Condominium Unit unpaid as of the date of such lien notice, the rate of default interest as set by the Collections Policy of the Association and Section 6.11 below, the name of the Owner or Owners of the Condominium Unit, and any and all other information that the Association may deem proper. Any such lien notice shall be signed by a member of the Executive Board, an officer of the Association, or the Managing Agent and shall be recorded in the Office of the Clerk and Recorder of the County of Eagle, Colorado. Any such lien notice shall not constitute a condition precedent or delay the attachment of the lien, but such lien is a perpetual lien upon the Condominium Unit and attaches without notice at the beginning of the first day of any period for which any Assessment is levied.

Section 6.11 Effect of Nonpayment of Assessments. If any annual, special, or default Assessment (or any installment of the Assessment) is not fully paid after the same becomes due and payable, then as often as the same may happen, (i) the Executive Board may impose late fees, charges and default interest as provided in Section 6.7 above, (ii) the Association may declare due and payable all unpaid quarterly or other installments of the annual Assessment or any special Assessment otherwise due during the fiscal year during which such default occurred, and (iii) subject to the Collections Policy of the Association, the Association may thereafter bring an action at law or in equity, or both, against any Owner personally obligated to pay the same and/or may proceed to foreclose its lien against the particular Unit in the manner and form provided by Colorado law for foreclosure of real estate mortgages.

An action at law or in equity by the Association against an Owner to recover a money judgment for unpaid Assessments (or any installment thereof) may be commenced and pursued by the Association without foreclosing or in any way waiving the Association's lien for the Assessments. If any such Assessment (or installment thereof) is not fully paid when due and if the Association commences such an action (or counterclaims or cross-claims for such relief in any action) against any Owner personally obligated to pay the same, or proceeds to foreclose its lien against the particular Unit, then all unpaid installments of annual and special Assessments and all default Assessments (including any such installments or Assessments arising during the proceedings of such action or foreclosure proceedings), any late charges under Section 6.7 above, any accrued interest under this Section 6.7, the Association's costs, expenses, and reasonable attorneys' fees (including legal assistants' fees) incurred for any such action and/or foreclosure proceedings shall be taxed by the court as part of the costs of any such action or foreclosure proceedings and shall be recoverable by the Association from any Owner personally obligated to pay the same and from the proceeds from the foreclosure sale of the particular Unit in satisfaction of the Association's lien. This Section 6.11 is subject to procedures and requirements of the Collections Policy of the Association.

Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to stop or otherwise preclude the Association from again foreclosing or attempting to foreclose its lien for any subsequent Assessments (or installments thereof) which are not fully paid when due or for any subsequent default Assessments. The Association shall have the power and right to bid on or purchase any Unit at foreclosure or other legal sale and to acquire and hold, lease, occupy or mortgage the Condominium Unit, or exercise the votes in the Association appurtenant to ownership of the Condominium Unit, and to convey, or otherwise deal with the Condominium Unit acquired in such proceedings.

First Mortgagees shall be entitled to cure any delinquency in the payment of Assessments of the Owner of a Condominium Unit encumbered by the First Mortgagee. In that event, the First Mortgagee shall be entitled to obtain a release from the lien imposed or perfected by reason of such delinquency.

Section 6.12 Successor's Liability for Assessments. Notwithstanding the personal obligation of each Owner of a Condominium Unit to pay all Assessments on the Condominium Unit, and notwithstanding the Association's perpetual lien upon a Condominium Unit for such Assessments, all successors in interest to the fee simple title of a Condominium Unit, except as provided in Section 6.13 and Section 6.14 below, shall be jointly and severally liable with the prior Owner or Owners of the Condominium Unit for any and all unpaid Assessments, interest, late charges, costs, expenses, and attorneys' fees against such Unit, without prejudice to any such successor's right to recover from any prior Owner any amounts paid thereon by such successor. However, such successor in interest shall be entitled to rely upon the existence and status of unpaid Assessments, interest, late charges, costs, expenses, and attorneys' fees as shown upon any certificate issued by or on behalf of the Association to such named successor in interest pursuant to the provisions of Section 6.14 below.

Section 6.13 Waiver of Homestead Exemption; Subordination of Association's Lien for Assessments. By acceptance of the deed or other instrument of transfer of a Condominium Unit, each such Owner irrevocably waives the homestead exemption provided by Part 2, Article 41, Title 38, Colorado Revised Statutes, as amended. The Association's perpetual lien on a Condominium Unit for Assessments shall be superior to all other liens and encumbrances except the following:

6.13.1 Real property ad valorem taxes and special assessment liens duly imposed by a Colorado governmental or political subdivision or special taxing district, or any other liens made superior by statute;

6.13.2 To the extent permitted under and limited by section 38-33.3-316 of the Act, the lien of any First Mortgage, including any and all advances made by the First Mortgagee and notwithstanding that any of such advances may have been made subsequent to the date of the attachment of the Association's liens; and

6.13.3 Any lien created by the Master Declaration.

With respect to the foregoing subpart 6.13.2, to the extent permitted under and limited by section 38-33.3-316 of the Act, any First Mortgagee who acquires title to a Condominium Unit by virtue of foreclosing the First Mortgage or by virtue of a deed or assignment in lieu of such a foreclosure, or any purchaser at a foreclosure sale of the First Mortgage, will take the Condominium Unit free of any claims for unpaid Association Assessments, interest, late charges, costs, expenses, and attorneys' fees against the Condominium Unit which accrue prior to the time such First Mortgagee or purchaser acquires title to the Condominium Unit, and the amount of the extinguished lien may be reallocated and assessed to all Units as a Common Expense at the direction of the Executive Board.

All other persons not holding liens described in subparts 6.13.1 through 6.13.3 above and obtaining a lien or encumbrance on any Unit after the recording of this Declaration shall be deemed to consent that any such lien or encumbrance shall be subordinate and inferior to the Association's future liens for Assessments, interest, late charges, costs, expenses, and attorneys' fees, as provided in this Article, whether or not such consent is specifically set forth in the instrument creating any such lien or encumbrance.

A sale or other transfer of any Unit, including but not limited to a foreclosure sale, except as provided in subparts 6.13.1 through 6.13.3 above, and except as provided in Section 6.14 below, shall not affect the Association's lien on such Unit for Assessments, interest, late charges, costs, expenses, and attorneys' fees due and owing prior to the time such purchaser acquires title and shall not affect the personal

liability of each Owner who shall have been responsible for the payment thereof. Further, no such sale or transfer shall relieve the purchaser or transferee of a Condominium Unit from liability for, or the Condominium Unit from the lien of, any Assessments made after the sale or transfer.

Section 6.14 Statement of Status of Assessments. Upon fourteen (14) calendar days' written request (furnished in the manner described below for the response to such request) to the Managing Agent, Executive Board or the Association's registered agent and payment of a reasonable fee set from time to time by the Executive Board, any Owner, prospective purchaser of a Condominium Unit, or Mortgagee shall be furnished, by personal delivery or by certified mail, first class postage prepaid, return receipt requested, to the inquiring party (in which event the date of posting shall be deemed the date of delivery) a statement of the Owner's account setting forth:

6.14.1 The amount of any unpaid Assessments, interest, late charges, costs, expenses, and attorneys' fees then existing against a particular Unit;

6.14.2 The amount of the current installments of the annual Assessment and the date that the next installment is due and payable;

6.14.3 The date of the payment of any installments of any special Assessments then existing against the Condominium Unit; and

6.14.4 Any other information deemed proper by the Association.

Upon the issuance of such a certificate signed by a member of the Executive Board, by an officer of the Association, or by a Managing Agent, the information contained therein shall be conclusive upon the Association as to the person or persons to whom such certificate is addressed and who rely on the certificate in good faith. Unless such a statement of status of Assessments is delivered as described above within said fourteen (14) calendar day period, the Association shall have no right to assert a priority lien upon the Condominium Unit over the inquiring party's interest for unpaid Assessments which were due as of the date of the request.

Section 6.15 Failure to Assess. The omission or failure of the Executive Board to fix the Assessment amounts or rates or to deliver or mail an Assessment notice to each Owner will not be deemed a waiver, modification, or release of any Owner from the obligation to pay Assessments. In such event, each Owner will continue to pay annual Assessments on the same basis as for the last year for which an Assessment was made until a new Assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Association in accordance with any budget procedures as may be required by the Act.

ARTICLE 7 INSURANCE

Section 7.1 Association General Insurance Provisions. The Association shall maintain, to the extent commercially available:

7.1.1 Property insurance on the General Common Elements, the Limited Common Elements and the Units for broad form covered causes of loss; except that the total amount of insurance must be not less than the full insurable replacement costs of the insured property less applicable deductibles at the time the insurance is purchased and at each renewal date;

7.1.2 Commercial general liability insurance against claims and liabilities arising in connection with the ownership, existence, use, or management of the General Common Elements, Limited Common Elements, and the Association, in an amount, if any, deemed sufficient in the judgment of the

Board, insuring the Board, the Association, the Managing Agent, and their respective employees, agents, and all persons acting as agents. Declarant shall be included as an additional insured in Declarant's capacity as an Owner and Board member. The Owners shall be included as additional insureds (and upon the written request of a First Mortgagee of a Unit, such First Mortgagee shall be included as an additional insured) but only for claims and liabilities arising in connection with the ownership, existence, use or management of the Common Elements. The insurance shall cover claims of one (1) or more insured parties against other insured parties; and

7.1.3 The Association may carry such other and further insurance that the Board considers appropriate, including insurance on areas that the Association is not obligated to insure to protect the Association or the Owners.

7.1.4 Owners are advised that the forgoing insurance maintained by the Association is not anticipated to cover personal property or furnishings of Owners or upgrades installed by an Owner unless made part of the policy or policies of the Association at the option of the Board. EACH OWNER SHALL PURCHASE INSURANCE COVERING SUCH PERSONAL PROPERTY, FURNISHINGS AND UPGRADES, AND COMMERCIAL OWNERS SHALL PURCHASE BUSINESS INTERRUPTION INSURANCE, EACH AS PROVIDED IN SECTION 7.12 BELOW. Owners are advised to review the policies of the Association and their exclusions from coverage.

Section 7.2 Quality of Insurer. All insurance policies carried pursuant this Article 7 shall be written by reputable companies duly authorized and licensed to do business in the State of Colorado with an A.M. Best's rating of "A" or better, if reasonably available or, if not reasonably available, the most nearly equivalent rating.

Section 7.3 Policy Provisions. Insurance policies carried pursuant to Section 7.1 above must provide that:

7.3.1 Each Owner is an insured person under the policy with respect to liability arising out of such Owner's interest in the Common Elements or membership in the Association;

7.3.2 The insurer to the extent possible waives any right to claim by way of subrogation against Declarant, the Association, the Executive Board, the Managing Agent and the Owners, and their respective agents, employees, guests, tenants, invitees, members of an Owner's household and, in the case of Commercial Owners, their respective lenders and licensees, as applicable;

7.3.3 No act or omission by any Owner, unless acting within the scope of such Owner's authority on behalf of the Association, will void the policy or be a condition to recovery under the policy; and

7.3.4 If, at the time of a loss under the policy, there is other insurance in the name of an Owner covering the same risk covered by the policy, the Association's policy provides primary insurance.

7.3.5 The policy shall include a provision requiring a minimum of thirty (30) days' notice of any material change or cancellation of the policy, to the extent such provision is reasonably available.

Section 7.4 Insurance Proceeds. Any loss covered by the property insurance policy described in Section 7.1 above must be adjusted with the Association, but the insurance proceeds for that loss shall be payable to any insurance trustee designated for that purpose, or otherwise to the Association and not to any holder of a security interest. The insurance trustee or the Association shall hold any insurance proceeds in trust for the Owners and First Mortgagees as their interests may appear. Subject to the provisions of

Section 7.7 below, the proceeds must be disbursed first for the repair or restoration of the damaged property, and the Association, Owners and First Mortgagees are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the damaged property has been completely repaired or restored or the regime created by this Declaration is terminated.

Section 7.5 Association Policies. The Association may adopt and establish written nondiscriminatory policies and procedures relating to the submittal of claims, responsibility for deductibles, and any other matters of claims adjustment. To the extent the Association settles claims for damages to the Property, it shall have the authority to assess negligent Owners causing such loss or benefiting from such repair or restoration all or any equitable portion of the deductibles paid by the Association.

Section 7.6 Insurer Obligation. An insurer that has issued an insurance policy for the insurance described in Section 7.1 above shall issue certificates or memoranda of insurance to the Association and, upon request, to any Owner or Mortgagee. Unless otherwise provided by statute, the insurer issuing the policy may not cancel or refuse to renew it until thirty (30) days after notice of the proposed cancellation or nonrenewal has been mailed to the Association and to each Owner and Mortgagee to whom a certificate or memorandum of insurance has been issued at their respective last-known addresses.

Section 7.7 Repair and Replacement.

7.7.1 Any portion of the Common Elements for which insurance is required under this Article which is damaged or destroyed must be repaired or replaced promptly by the Association, unless:

7.7.1.1 This Declaration and the Common Interest Community created hereby are terminated pursuant to the express provisions of this Declaration or by law;

7.7.1.2 Repair or replacement would be illegal under any state or local statute or ordinance governing health or safety;

7.7.1.3 Eighty-five percent (85%) of the votes of the Owners, including a majority of all votes allocated to Residential Owners and a majority of all votes allocated to Commercial Owners, and every Owner of a Unit or its appurtenant Limited Common Elements that will not be rebuilt agree in writing not to rebuild; or

7.7.1.4 Prior to the conveyance of any Unit to a person other than Declarant, the Mortgagee holding a Mortgage on the damaged portion of the Common Elements rightfully demands all or a substantial part of the insurance proceeds.

7.7.2 The cost of repair or replacement in excess of insurance proceeds and reserves, including any applicable deductible amount, is a Common Expense. If all damaged Common Elements are not repaired or replaced, the insurance proceeds attributable to the damaged Common Elements must be used to restore the damaged area to a condition compatible with the remainder of the Project, and except to the extent that other persons will be distributees, the insurance proceeds must be distributed to all the Owners or Mortgagees, as their interests may appear, in proportion to their respective ownership interests as reflected on Exhibit B.

Section 7.8 Common Expenses. Premiums for insurance and other expenses connected with acquiring such insurance are Common Expenses for the Association.

Section 7.9 Fidelity Insurance. Fidelity bonds or a crime fidelity insurance policy shall be maintained by the Association to protect against dishonest acts on the part of their respective officers, directors, trustees, and employees and on the part of all others who handle or are responsible for handling

the funds belonging to or administered by the Association in an amount not less than two months' current Assessments plus reserves as calculated from its current budget. In addition, such bond or insurance shall name as an insured the Managing Agent of the Association and shall cover the acts of such managing agents' officers, employees, and agents, as applicable. Any such fidelity coverage shall name the Association as an obligee and shall contain waivers by the issuers of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees," or similar terms or expressions.

Section 7.10 Workmen's Compensation Insurance. To the extent that the Association directly employs any individuals, the Association shall obtain workmen's compensation or similar insurance with respect to its employees in the amounts and forms as may now or hereafter be required by law.

Section 7.11 Other Insurance. The Association shall also maintain insurance to the extent reasonably available and in such amounts as its executive board may deem appropriate on behalf of their respective Directors against any liability asserted against a Director or incurred by him in his capacity of or arising out of his status as a Director. The Association may obtain insurance against such other risks, of a similar or dissimilar nature, as it shall deem appropriate with respect to its responsibilities and duties.

Section 7.12 Insurance Obtained by Owners. EACH OWNER SHALL PURCHASE A CONDOMINIUM UNIT OWNER'S POLICY COVERING ALL OF SUCH OWNER'S PERSONAL PROPERTY AND HOUSEHOLD GOODS OR BUSINESS ASSETS, AS APPLICABLE, AND FURTHER COVERING UPGRADES AND BETTERMENTS MADE TO THE UNIT'S INITIALLY INSTALLED IMPROVEMENTS, INCLUDING, BUT NOT LIMITED TO, PLUMBING FIXTURES, LIGHTING FIXTURES, AND BUILT-IN APPLIANCES AND FIXTURES INSTALLED WITHIN THE UNIT AFTER ORIGINAL CONSTRUCTION, EACH AT THEIR REASONABLE REPLACEMENT VALUE. THE POLICY SHALL ALSO PROVIDE PERSONAL OR COMMERCIAL LIABILITY COVERAGE, AS APPLICABLE, FOR THE UNIT AND ITS OWNERS. EACH COMMERCIAL OWNER SHALL FURTHER PURCHASE AND MAINTAIN BUSINESS INTERRUPTION INSURANCE. In addition, an Owner may obtain such other and additional insurance coverage on and in relation to the Owner's Unit as the Owner in the Owner's sole discretion shall conclude to be desirable. However, none of such insurance coverages shall affect any insurance coverage obtained by the Association or cause the diminution or termination of that insurance coverage, nor shall such insurance coverage of an Owner result in apportionment of insurance proceeds as between policies of insurance of the Association and/or the Owner. An Owner shall be liable to the Association for the amount of any such diminution of insurance proceeds as a result of insurance coverage maintained by the Owner, and the Association shall be entitled to collect the amount of the diminution from the Owner as if the amount were a default Assessment, with the understanding that the Association may impose and foreclose a lien for the payment due. Any insurance obtained by an Owner shall include a provision waiving the particular insurance company's right of subrogation against the Association and other Owners of Condominium Units.

The Executive Board may require an Owner to file copies of such policies with the Association within thirty (30) days after purchase of the coverage to eliminate potential conflicts with any master policy carried by the Association.

Section 7.13 Rights of Subrogation. The Unit Owners and the Association, for themselves and their insurers shall waive all rights of subrogation against Declarant and its contractors and suppliers, and their affiliates, to the extent that any insurer pays a claim on behalf of a Unit Owner or Owners or the Association.

Section 7.14 Unavailability or Cancellation of Coverage. Neither the Association, Declarant nor any Owner shall be liable for failure to obtain any insurance coverage required by this Declaration or for any loss or damage resulting from such failure, if such failure is due to the general unavailability of such

coverage from reputable insurance companies. If the insurance described in Section 7.1 above is not commercially available, or if any policy of such insurance is cancelled or not renewed without a replacement policy therefore having been obtained, the Association promptly shall cause notice of that fact to be hand delivered or sent prepaid by United States mail to all Owners.

ARTICLE 8 CONVEYANCES AND TAXATION OF CONDOMINIUM UNITS

Section 8.1 Contracts to Convey Entered into Prior to Recording of Condominium Map and Declaration. A contract or other agreement for the sale of a Condominium Unit entered into prior to the filing for record of the Condominium Map and this Declaration in the Office of the Clerk and Recorder of the County of Eagle, Colorado, may legally describe such Condominium Unit in substantially the manner set forth in Section 8.2 below and may indicate that the Condominium Map and this Declaration are to be recorded.

Section 8.2 Contracts to Convey and Conveyances Subsequent to Recording of Condominium Map and Declaration. Subsequent to the recording of the Condominium Map and this Declaration, contracts to convey, instruments of conveyance of Condominium Units, and every other instrument affecting title to a Condominium Unit shall be in substantially the following form with such omissions, insertions, recitals of fact, or other provisions as may be required under the Act or by the circumstances or appropriate to conform to the requirements of any governmental authority or any usage or requirement of law with respect thereto:

Condominium Unit _____, Riverfront Lodge, according to the Condominium Map recorded _____, 20__, at Reception No. _____, and as defined and described in the Condominium Declaration for Riverfront Lodge, recorded _____, 20__, at Reception No. _____ in the Office of the Clerk and Recorder of Eagle County, Colorado. (with applicable recording information inserted herein).

Section 8.3 Conveyance Deemed to Describe an Undivided Interest in Common Elements. Every instrument of conveyance, Mortgage, or other instrument affecting the title to a Condominium Unit which legally describes the Unit substantially in the manner set forth in Section 8.2 above shall be construed to describe the Individual Air Space, together with the undivided interest in the Common Elements appurtenant to it, and together with all fixtures and improvements contained in it (unless any such fixtures or improvements shall be Common Elements), and to incorporate all the rights incident to ownership of a Condominium Unit and all the limitations of ownership as described in the covenants, conditions, restrictions, easements, reservations, rights-of-way, and other provisions contained in this Declaration, including the easement of enjoyment to use the Common Elements.

Section 8.4 Separate Tax Assessments. Upon the recording of this Declaration and the filing of the Condominium Map for record in the County of Eagle, Colorado, Declarant shall deliver a recorded copy of this Declaration and the Map to the Assessor of the County of Eagle, Colorado, as provided by law, which notice shall set forth the descriptions of the Condominium Units, including the interest in the Common Elements appurtenant to the Condominium Unit, so that thereafter all taxes, assessments, and other charges by the State or any governmental or political subdivision or any special improvement district or any other taxing agent or assessing authority shall be assessed against and collected on each Condominium Unit, each of which shall be carried on the tax records as a separate and distinct parcel for that purpose. For the purpose of such assessment against the Condominium Units, valuation of the Common Elements shall be apportioned among the Condominium Units in proportion to the applicable fractional interest in such Common Elements appurtenant to the Condominium Units. Accordingly, the

Common Elements shall not be assessed separately but shall be assessed with the Condominium Units as provided pursuant to Colorado Revised Statutes Subsection 38-33.3-105(2).

The lien for taxes assessed to the Owner or Owners of a Condominium Unit shall be confined to his Individual Air Space Unit and to his appurtenant undivided interest in the Common Elements. No forfeiture or sale of any Condominium Unit for delinquent taxes, assessments, or other governmental charges shall divest or in any way affect the title to any other Condominium Unit.

ARTICLE 9 MECHANICS' LIENS

Section 9.1 Mechanics' Liens. Subsequent to the recording of this Declaration, no labor performed or materials furnished for use and incorporated in any Condominium Unit with the consent of or at the request of the Owner of the Condominium Unit or the Owner's agent, contractor or subcontractor shall be the basis for the filing of a lien against a Unit of any other Owner not expressly consenting to or requesting the same, or against any interest in the Common Elements. Each Owner shall indemnify and hold harmless each of the other Owners and the Association from and against any liability or loss arising from the claim of any mechanic's lien for labor performed or for materials furnished in connection with work on such Owner's Condominium Unit against the Condominium Unit of another Owner or against the Common Elements, or any part thereof.

Section 9.2 Enforcement by the Association. At its own initiative or upon the written request of any Owner (if the Association determines that further action by the Association is proper) the Association shall enforce the indemnity provided by the provisions of Section 9.1 above by collecting from the Owner of the Condominium Unit on which the labor was performed or materials furnished the amount necessary to discharge by bond or otherwise any such mechanic's lien, including all costs and reasonable attorneys' fees incidental to the lien, and obtain a release of such lien. In the event that the Owner of the Condominium Unit on which the labor was performed or materials furnished refuses or fails to so indemnify within seven (7) days after the Association shall have given notice to such Owner of the total amount of the claim, or any portions thereof from time to time, then the failure to so indemnify shall be a default by such Owner under the provisions of this Section 9.2, and such amount to be indemnified shall automatically become a default Assessment determined and levied against such Unit, and enforceable by the Association in accordance with Sections 6.9, 6.10 and 6.11 above.

ARTICLE 10 PROPERTY RESTRICTIONS

Section 10.1 Residential Uses. All Residential Units shall be used for dwelling and lodging purposes only, in conformity with all zoning laws, ordinances and regulations and with all provisions of this Declaration. A Residential Unit may be used for home occupations, provided (a) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside of the Residential Unit; (b) the business activity does not involve visitation of the Residential Unit by employees, clients, customers, suppliers or other business invitees in greater volume than would normally be expected for guest visitation to a residence without business activity; (c) the business activity is legal under all local, state and federal laws and conforms to all zoning requirements for the Project; (d) the business activity does not increase pedestrian or vehicular traffic in the Project in excess of what would normally be expected for Residential Units in the Project without business activity; (e) the business activity is consistent with the residential character of the Residential Unit and does not constitute a nuisance or a hazardous or offensive use, or threaten the security or safety of other Owners or occupants of the Project; and (f) the business activity does not result in a materially greater use of Common Elements or other facilities at the Project, in each case as determined at the discretion of the Executive Board. Long-term or short-term rentals shall not be considered a home occupation. No Residential Unit may be used for "day care," "child care" or "pet

care” services, whether licensed or unlicensed. No signage shall be permitted identifying home occupations. Notwithstanding the foregoing, Declarant may use any Residential Unit as a sales office, management office, rental and/or property management office, storage facility and/or such other uses as may be permitted under the Act.

Section 10.2 Commercial Uses. The Commercial Units shall be used and occupied for front desk, office and retail business purposes only, including, but not limited to, rental and property management operations (including management of properties both within and outside of the Project) and retail stores. Owners of Commercial Units may rent or lease such Units to others for the uses permitted herein. Owners acknowledge and understand that the Commercial Units may, without obligation, be operated 24 hours per day, 365 days per year. Such commercial activities shall not be deemed a nuisance; provided, however, (i) no amplification or other excessive noise shall be permitted between the hours of 10:00 p.m. and 8:00 a.m., and (ii) no ski or snowboard tuning shall be permitted or any other use which would generate a similar or higher level of noise or impact to the residential nature of the Project. Declarant may use any Commercial Unit as a sales office, management office, rental and/or property management office, storage facility and/or other uses as may be permitted under the Act. Notwithstanding the foregoing, the following uses shall be prohibited:

10.2.1 No Commercial Unit or appurtenant Limited Common Elements shall be used for food or beverage operations, such as, but not limited to, a bar, night club, restaurant or other similar uses;

10.2.2 No Commercial Unit or appurtenant Limited Common Elements shall be used in connection with the production, sale or other distribution of marijuana or marijuana-related products;

10.2.3 No Commercial Unit or appurtenant Limited Common Elements shall be used for any manufacturing business or other similar industrial use.

Section 10.3 Conveyance of Condominium Units. All Condominium Units, whether or not the instrument of conveyance or assignment shall refer to this Declaration or the Master Declaration, shall be subject to the covenants, conditions, restrictions, easements, reservations, rights-of-way, and other provisions contained in this Declaration and in the Master Declaration, as the same may be amended from time to time.

Section 10.4 Use of Common Elements. There shall be no obstruction of the Common Elements, nor shall anything be kept or stored on or removed from any part of the Common Elements by any Owner without the prior written approval of the Association, except as specifically provided herein. Nothing shall be altered on, constructed in, or removed from the Common Elements by any Owner without the prior written approval of the Association. The surface parking spaces located near the front entry of the Project shall be used for short-term parking for purposes of check-in, loading/unloading, front-desk operations and/or other short term uses (including temporary overnight parking) as determined by the Executive Board or the Managing Agent. Without the prior written consent of the Executive Board, no Owner or occupant of a Condominium Unit shall penetrate the interior surface walls or drywall of an Individual Air Space Unit for any reason, including, by way of illustration, but not limitation, running speaker wire or cable in a Condominium Unit. With prior written approval by the Executive Board, and subject to any restrictions imposed by the Executive Board, an Owner may reserve portions of the Common Elements for use for a period of time as set by the Executive Board. Any such Owner who reserves a portion of the Common Elements as provided herein shall assume, on behalf of the Owner and Owner’s guests, lessees and invitees, all risks associated with the use of the Common Elements and all liability for any damage or injury to any person or thing as a result of such use. Upon the request of the Association, such Owner shall also immediately reimburse the Association for any expenses that it incurs related to any damage or injury to any person or improvement as a result of such use. The Association shall not be liable for any damage or

injury resulting from such use unless such damage or injury is caused solely by the willful acts or gross negligence of the Association, its agents or employees. Unless otherwise expressly authorized by the Executive Board, there shall be (a) no amplification or other excessive noise within the Common Elements between the hours of 10:00 p.m. and 8:00 a.m., (b) no outdoor activities of any kind during the hours of 10:00 p.m. and 8:00 a.m., and (c) no use of or access to the roof of the Building by the Owners, or their guests, lessees or invitees. This Section shall not apply to Declarant, so long as Declarant shall own a Condominium Unit.

Section 10.5 Use of Limited Common Elements. Except as otherwise provided herein, the use of the Limited Common Elements assigned to Condominium Unit(s) is restricted exclusively to the Owners of the Condominium Unit(s) to which such Limited Common Elements are assigned, and said Owner's guests, lessees and invitees. The Limited Common Elements are reserved for exclusive use, but shall not be construed or interpreted to be separate and apart from the Common Elements in general, and the restrictions applicable to the Common Elements shall also apply to the Limited Common Elements.

Section 10.6 Prohibition of Increases in Insurable Risks and Certain Activities. Nothing shall be done or kept in any Condominium Unit or in or on the Common Elements, or any part thereof, which would result in the cancellation of the insurance on all or any part of the Project or, taking into account that the Project is a mixed-use project and the particular use involved, in an increase in the rate of the insurance on all or any part of the Project over what the Association, but for such activity, would pay, without the prior written approval of the Association. Nothing shall be done or kept in any Condominium Unit or in or on the Common Elements which would be in violation of any statute, rule, ordinance, regulation, permit, or other imposed requirement of any governmental body. No damage to or waste of the Common Elements shall be committed by any Owner, or by any member of the Owner's family, or by any guest, invitee, or contract purchaser of any Owner, and each Owner shall indemnify and hold the Association and the other Owners harmless against all loss resulting from any such damage or waste caused by him, the members of his family, or his guests, invitees, or contract purchasers. Failure to so indemnify shall be a default by such Owner under this Section, and such amount to be indemnified shall automatically become a default Assessment determined and levied against such Condominium Unit. At its own initiative or upon the written request of any Owner (and if the Association determines that further action by the Association is proper), the Association shall enforce the foregoing indemnity as a default Assessment.

Section 10.7 Prohibited and Restricted Uses. In addition to the other restrictions contained elsewhere in this Declaration, the occupation and use of the Residential Units and their respective tenants and invitees is subject to the following restrictions:

10.7.1 Overloading. The Residential Units may not be used for any use beyond the maximum loads the floors of the Project designed to carry and no apparatus, equipment, fixtures or other property of any nature may be located within the Residential Unit if the same, singularly or in the aggregate, would violate the maximum loads that the structural flooring in the Residential Unit is designed to support. Further, a Residential Unit may not be used for any use which would place any extraordinary burden on any portion of the Project.

10.7.2 Nuisance. The Residential Units may not be used for any use (1) constituting a public or private nuisance, (2) consisting of the manufacture of any product, or (3) which causes undue odor, noise, vibration or glare, including, without limitation, the use of amplification or equipment, in each instance in a manner that in the sole discretion of the Executive Board interferes with the rights, comfort or convenience of the other Owners. Section 10.7.3 below sets forth specific prohibitions and regulations related to smoking. The Association may adopt rules and regulations to further define and regulate possible nuisances. The Executive Board may take such action or actions as it deems reasonably necessary to correct any violation, including, after notice and the opportunity for a hearing as provided in the Responsible

Governance Policies of the Association, directing permanent removal of the offending item(s) from the Project and/or the imposition of fines during any period of violation.

10.7.3 Smoking Prohibitions and Regulation. Smoking is absolutely prohibited in or on all areas comprising the Project other than within an Individual Air Space Unit of a Residential Unit and is prohibited on Terraces, Limited Common Elements and all Common Elements. Further, smoke which escapes from an Individual Air Space Unit into another Unit or Common Element shall be considered a nuisance and subject to applicable remedies against the offending Owner, including, without limitation, the imposition of fines in accordance with the governance policies of the Association. The Association may adopt rules and regulations to further define and regulate smoking. Smoking shall be deemed to include the use of smoke-producing or vapor-producing products such as, but not limited to, cigarettes, cigars, pipes, marijuana, hookah, and electronic smoking devices (e.g., vaping). Smoking shall not be deemed to include smoke-producing or vapor-producing products involved with customary cooking, grilling or other household practices within a Unit.

10.7.4 Violation of Law. No portion of a Unit may be used for any use which violates any law, statute, ordinance, rule, regulation or order of any governmental authority having jurisdiction over the Property, including, without limitation, any of them that regulate or concern hazardous or toxic waste, substances or materials.

10.7.5 Pets. Subject to the rules and regulations of the Association, or written waiver by the Executive Board, an Owner may keep in a Residential Unit not more than three (3) house pets. Permitted house pets include domesticated dogs, cats, caged birds, and aquarium fish (and the maximum three-pet prohibition shall not apply to aquarium fish). Permitted house pets also include specially trained animals that serve as physical aids to handicapped residents and permitted by applicable law. No pets which are not usual and ordinary domestic household pets may be kept within the Residential Units. No pet may be kept, bred or maintained for any commercial purpose. If a pet is deemed dangerous or obnoxious in the subjective opinion of the Executive Board, the Owner having control over the animal will be given a written notice to correct the problem. If such problem is not corrected to the satisfaction of the Executive Board, such Owner, upon written notice and in accordance with the policies and procedures of the Association related to covenant enforcement (such as notice and the opportunity for a hearing as provided in such policies), may be required to remove the animal from the Residential Unit and/or may be subject to fines and/or other applicable remedies during the period of violation. The Owner having control over the pet is responsible for cleaning up after the pet and will hold the Association harmless from any liability, claim, damage, cost or expense resulting from any action of their pet. At any time a pet is outside the Residential Unit, it must be accompanied by its owner and on a leash and otherwise under the control of its owner.

10.7.6 Barriers: Front Desk. Unless expressly approved by the Executive Board and by Declarant, (a) the Association is prohibited from constructing any new wall, door or other improvement creating a redesign of any Common Element floor plan, and (b) the Association is prohibited from constructing any front desk or other reception area in any portion of the Building.

10.7.7 Window Coverings. To ensure a consistent exterior appearance for the Residential Units, all window coverings as seen from outside of a Residential Unit or the Building must be the color specified in the Association's rules and regulations. All window coverings must be maintained in good condition, and must be removed or replaced if they become stained, torn, damaged or otherwise unsightly in the opinion of the Executive Board. The Executive Board will adopt rules and regulations requiring specific window coverings as the approved window coverings for all Residential Units and/or otherwise regulating window coverings and their appearance.

10.7.8 Windows and Glass Doors. No windows or glass doors within a Residential Unit may have any reflective or tinted substance placed on them. No unsightly materials may be placed on any window or glass door or be visible through such window or glass door.

10.7.9 Signs and Posters. Except as otherwise provided in this Declaration or as may be required by law, and except for signs which may be erected by Declarant related to the development and sale of Units and except for signs and flags prohibited from regulation as set forth in the Act, no signs (including, without limitation for-sale or for-lease signs), advertising posters, flyers, political placards, banners, flags, stickers, billboards, speakers or lighting of any kind shall be erected, placed, or permitted to remain on the Project without the prior written consent of the Executive Board or the Managing Agent and, to the extent visible from the exterior and subject to the authority of the Design Declaration, without the the prior approval of Design Review Board. The Executive Board shall have the right to erect reasonable and appropriate signs on behalf of the Association. The Responsible Governance Policies of the Association provide more detail on the regulation of signage within the Project. Notwithstanding the foregoing, an Owner of a Commercial Unit and/or an Owner's commercial tenant may erect and attach signs, banners, posters, decorations, projections and other similar items on the exterior of the Commercial Unit ("Commercial Signs") on the condition that (a) the Commercial Signs are complimentary in size, quality and color scheme with then-existing signs at the Project, and (b) to the extent applicable, the Commercial Sign is approved by the Design Review Board in accordance with the requirements of the Design Declaration.

10.7.10 Refuse Removal. To the extent not handled by the Association or Master Association, all rubbish, garbage and debris will be regularly removed from and will not be allowed to accumulate. All trash, garbage and other debris will be disposed of in accordance with the normal practices and procedures of and in places designated by the Association or Master Association, as may change from time to time.

10.7.11 Terraces. The balconies, terraces, decks and patios, if any, that are Limited Common Elements of a Residential Unit or Units ("Terraces") shall be used only for the purposes intended, and shall not be used for drying or hanging garments, cleaning of rugs, or storing other objects, including, without limitation, any bicycles, skis, recreational equipment or gear or other personal property of any nature, except as permitted by law or by any rules and regulations adopted by the Association. No outdoor or patio furniture, barbecue grill, landscaping or plant materials or other personal property or improvements may be placed on any Terrace except in accordance with the rules and regulations of the Association or otherwise specifically approved in writing by the Executive Board. The Executive Board may adopt rules and regulations requiring specific furniture, barbeque grills and/or other personal property as the approved items for use on Terraces, it being acknowledged that such rules and regulations may specify distinct requirements for each floor on which a Terrace is located. No hot tubs, spas or similar devices may be placed, installed or otherwise used on the Terraces. No exterior equipment or fixtures, including but not limited to speakers or other amplification equipment, may be installed on any of the Terraces without the prior written approval of the Executive Board. The use of amplification on the Terraces shall be governed by Section 10.7.2 above. Each Residential Owner shall keep any Terrace associated with such Residential Unit in a state of good cleanliness and order.

10.7.12 Fireplaces. Fireplaces located in a Residential Unit may not be used for burning of any wood, solid fuel, paper or other items

10.7.13 Unit Temperatures. The Residential Units must (a) be heated as necessary to maintain a minimum temperature of 55 degrees Fahrenheit from October 1 through May 30 every year, and (b) not be cooled to a temperature that causes undue moisture and frosting of Unit elements.

10.7.14 Restrictions on Leasing; Prohibition on Timesharing. An Owner shall have the right to lease his or her Residential Unit upon such terms and conditions as the Owner may deem advisable, subject to the following limitations and requirements (which limitations and requirements shall similarly apply to any subleases by tenants of any Owner):

10.7.14.1 Compliance with Laws. Any lease, sub-lease or rental agreement related to a Residential Unit must be in compliance with all laws, ordinances and regulations.

10.7.14.2 Prohibition on Timesharing. No Residential Unit may be used for the creation of Fractional Interests (defined below), whether on an equity or non-equity basis, no matter how described or classified, by which a purchaser, investor, owner, tenant, member or licensee obtains the right to exclusive use of the Residential Unit for a period of time and subject to availability, reservation procedures, or rights of others within such program to use the Residential Unit. As used in the preceding sentence, "Fractional Interests" are defined as "time share estates" as defined in C.R.S. § 38-33-110 or any other time share, interval ownership, vacation club or similar estate or interest. As used in the preceding sentence, a "vacation club" is defined as any arrangement, formal or informal, under which any person or entity shares the right to use the Residential Unit if (a) such arrangement is adopted, imposed, marketed, sold, or managed by a party other than that person or entity who shares the right to use the Residential Unit, or (b) such Residential Unit is marketed for use pursuant to or subject to such arrangement.

10.7.15 No Impairment. No Owner, a guest, lessee or invitee of a Condominium Unit or agent of such Owner shall do any work which, in the reasonable opinion of the Executive Board, would jeopardize the soundness or safety of the Project or any structure created thereon or would impair any easement or other interest in real property thereto.

Section 10.8 Acknowledgements. Each Owner is hereby advised of the following matters affecting the Unit and/or the Project and the Owners' use and enjoyment thereof:

10.8.1 Ski Area Activities; Gondola. Each Owner acknowledges that no right is created or arises from ownership of a Unit, either (1) to use the amenities or facilities comprising the Beaver Creek Resort recreational facilities or other recreation areas (such as Beaver Creek operations and activities, the "Mountain Activities"); or (2) to any waiver or discount of the prices charged for lift tickets or other fees charged to users of such areas. Owners acknowledge and accept that there is a high-speed public gondola connecting Riverfront Village to the Beaver Creek Landing site within Beaver Creek Resort (the "Gondola"). The Gondola, coupled with related commercial uses which may or may not include lift ticket sales and other mountain support services, will generate impacts and inconveniences commensurate with the public nature of such uses. Owner acknowledges that the Gondola is expected to operate generally between December 20 and April 1 of each ski season, but that it may operate at other times and dates as determined by the Confluence Metropolitan District in consultation with Vail Resorts. Owner acknowledges that Declarant is not the operator of the Beaver Creek ski area, and accordingly, Declarant cannot make any representations relating thereto. More specifically, the Lower Beaver Creek Mountain Express Lift, which is also known as Chair Lift 15, is neither owned nor operated by Declarant nor the Confluence Metropolitan District and no representation whatsoever is made to Owner regarding dates or time of operation. Neither Declarant nor any of its employees or agents has made any representations regarding the opening or closing dates of Chair Lift 15 or of such ski area in any given year. Owners are deemed to fully understand that the operator of the Beaver Creek ski area may decide, in its sole discretion, whether any or all of the chairlifts (including Chair Lift 15) within the Beaver Creek ski area should be operated. Without limiting the generality of the foregoing, Owners specifically acknowledge that Declarant has made no representations regarding opening and closing dates of the Beaver Creek ski area.

10.8.2 Railroad Tracks. The Property is located near railroad tracks and facilities and, while the use of such tracks is limited as of the date of this Declaration, regular future use may restart,

which use may cause considerable noise and other inconveniences to the Owners.

10.8.3 Construction Activities. The Project is located in an area that is subject to or near current and/or future construction activities relating to the development of adjacent properties, (the “Construction Activities”). The Construction Activities are expected to generate an unpredictable amount of visible, audible and odorous impacts and disturbances. The Construction Activities may include, without limitation: (1) construction traffic (including, without limitation, construction vehicles and equipment), traffic flagging, detours and temporary closures; and (2) construction activities (including, without limitation, grading, excavation, clearing, site work and construction of indoor and outdoor improvements) relating to nearby properties.

10.8.4 Hotel and Commercial Activities. A variety of commercial and hotel activities are and will be conducted adjacent to the Project (the “Commercial Hotel Activities”). The Commercial Hotel Activities are expected to generate an unpredictable amount of visible, audible and odorous impacts and disturbances. The Commercial Hotel Activities may include, without limitation, the operation of a full-service hotel and related amenities, meetings, conferences and other group events; the installation, operation and maintenance of illuminated and non-illuminated signage; concerts and other outdoor and indoor entertainment, performances and special events, including, without limitation, weddings, festivals, and art fairs; and any other uses or activities permitted by law. The Commercial Hotel Activities may occur during daytime and nighttime. Further, certain Commercial Hotel Activities and commercial operations may close during periods of the year at the discretion of the applicable owner or operator of same.

10.8.5 Nearby Facilities and Uses. The Property is located adjacent to or near a Town of Avon public park, and the use of such park may generate considerable noise and other inconveniences to Owners. Further, a water treatment facility is located at the western boundary of Riverfront Village, which may at times generate odors or other impacts.

10.8.6 Waiver and Release. All Owners and the Association, for themselves and their respective successors and assigns, acknowledge that the Mountain Activities, the Construction Activities and the Commercial Activities, and the impacts and disturbances generated by them, may occur in and around the Units and the Project, including, without limitation, offensive noises, lighting, vibration and odors, damage to real and personal property, and risk of personal injury and death. Such persons may not assert or claim any violation of this Declaration or otherwise based on the existence or occurrence of the Mountain Activities, the Construction Activities or the Commercial Activities, or impacts and disturbances generated by them. All Owners and the Association, for themselves and their respective successors and assigns, forever waives and releases any actions or claims such persons and their successors and assigns may have against Declarant, the Commercial Owners, the Master Association and the Confluence Metropolitan District and their respective successors and assigns which in any way arise out of the impacts and disturbances generated from the Mountain Activities, the Construction Activities or the Commercial Activities.

10.8.7 Amenities Easement and Maintenance Declaration. The Project is subject to that certain Amenities Easement and Maintenance Declaration recorded in the Eagle County, Colorado real property records (the “Amenities Declaration”). The Amenities Declaration subjects certain amenities within the Project, including, without limitation, the spa pool, spa pool deck, lobby area and lobby restrooms of the Project, to an easement benefiting owners of the adjacent Riverfront Townhomes project. The Owners within the Project and the owners within Riverfront Townhomes will share in the cost of operating and maintaining these amenities pursuant to the terms of the Amenities Declaration.

10.8.8 Common Driveway Easement. The Project is subject to that certain Common Driveway Easement and Maintenance Declaration recorded in the Eagle County, Colorado real property records (the “Common Driveway Declaration”). The Common Driveway Declaration provides for the

common maintenance and upkeep of the common driveway shared with the adjacent Riverfront Townhomes project and related landscaping, walkways and other improvements (the “Common Driveway”) as set forth in the Common Driveway Declaration. The Owners within the Project and the owners within Riverfront Townhomes will share in the cost of operating and maintaining the Common Driveway pursuant to the terms of the Common Driveway Declaration.

10.8.9 Club Recreational Facilities Easement. Pursuant to the Master Declaration, an Owner of a Residential Unit shall enjoy certain rights to and shall be obligated for its portion of certain expenses relating to the maintenance and operation of the Club Recreational Facilities pursuant the “Club Recreational Facilities Easement” as defined in the Master Declaration, all as more fully set forth in the Master Declaration and subject to all restrictions, reservations and rights contained therein. Owners shall be “Riverfront Residential Members” of the Master Association as set forth in the Master Declaration. All expenses defined as Shared Easement Payments applicable to the Club Recreational Facilities Easement shall be shared by the applicable benefitted parties as provided in the Master Declaration. The owner or operator of the Riverfront Resort & Spa Hotel shall manage and operate all such areas and services in accordance with the provisions of the Master Declaration. Purchaser acknowledges and understands that the Club Recreational Facilities shall be used by persons other than owners within the Project or within Riverfront Village as further described in the Master Declaration.

10.8.10 Parking. The parking facility located on and serving the Property is designated General Common Elements of the Project. Subject to regulation of such parking by the Executive Board through its rule-making authority, all parking within the parking facility shall be unassigned and available to Owners on an availability basis; provided, however, Owners acknowledge and agree that, during periods of high occupancy at the Project as determined by the Executive Board or the Managing Agent, each Unit may be limited to one (1) vehicle only in the parking facility.

10.8.11 Disclaimer. Declarant makes no representations, covenants or warranties to any Owner concerning the nature, scope, schedule or continuation of activities operated or conducted in or relating to Riverfront Village or the Project. Each Owner, for itself and its successors and assigns, acknowledges that (1) the activities may be discontinued from time to time or permanently; (2) the activities may not be operated or conducted during the same hours, days or months as any schedule in effect or contemplated on the date of an Owner’s purchase of a Unit; (3) the activities may be conducted during more hours (during both daytime and nighttime), days, and months than any schedule in effect or contemplated on the date of an Owner’s purchase of a Unit; and (4) more activities may be operated or conducted than occur or are contemplated on the date of an Owner’s purchase of a Unit.

10.8.12 No View Easement. Notwithstanding any representation made to the contrary by the Declarant, any real estate agency or any agent, employee or representative of any such person, and by taking title to a Unit each Owner is deemed to have agreed and accepted that there is no easement or other right, express or implied, for the benefit of an Owner or the Association or the Master Association for light, view or air included in or created by this Declaration or as a result of an Owner owning a Unit.

10.8.13 Sound Transmission and Light Disclaimer, Release. EACH OWNER, BY ACCEPTANCE OF A DEED OR OTHER CONVEYANCE OF THEIR UNIT, HEREBY ACKNOWLEDGES AND AGREES THAT SOUND AND IMPACT NOISE TRANSMISSION IN A HIGH-RISE BUILDING SUCH AS THE PROJECT IS VERY DIFFICULT TO CONTROL, AND THAT NOISES FROM ADJOINING OR NEARBY RESIDENCES, MECHANICAL EQUIPMENT, THE COMMERCIAL UNITS, RIVERFRONT RESORT & SPA AND ITS HOTEL ACTIVITIES, AND THE SURROUNDING DEVELOPMENTS AND ACTIVITIES CAN AND WILL BE HEARD IN RESIDENCES. NEITHER THE DECLARANT NOR THE OWNERS OF THE COMMERCIAL UNITS MAKES ANY REPRESENTATION OR WARRANTY AS TO THE LEVEL OF SOUND OR IMPACT NOISE TRANSMISSION BETWEEN AND AMONG RESIDENCES AND THE OTHER PORTIONS

OF THE PROJECT OR OUTSIDE THE PROJECT OR THE LEVEL OF LIGHT THAT MAY IMPACT A UNIT, EACH AS MORE FULLY DISCUSSED BELOW. EACH OWNER HEREBY WAIVES AND EXPRESSLY RELEASES, TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW AS OF THE DATE OF THIS DECLARATION, ANY SUCH WARRANTY AND CLAIM FOR LOSS OR DAMAGES RESULTING FROM SOUND OR IMPACT NOISE TRANSMISSION OR LIGHT IMPACTS UPON THE UNITS. In connection therewith, Owners hereby acknowledge that living in a multi-story building and/or living in close proximity to commercial property entails living very close to other persons, businesses and resort, hotel and commercial enterprises with attendant limitations on solitude and privacy. Walls, floors and ceilings have been designed to meet applicable building codes. However, in a multi-story building, Owners and occupants will hear noise from adjacent units within the Project, including but not limited to, noise from showers, bathtubs, sinks, toilets or other sources of running water and/or plumbing fixtures. Also, Owners may hear noise from such items as the swimming pools, commercial activities, indoor and outdoor concerts, snowmaking, snow grooming, ski lifts and gondolas and other activities held at the Project and at other property adjacent to the Project, vacuum cleaners, stereos, televisions, or people running, walking, exercising and socializing. Owners can expect to experience substantial levels of sound, music, noise, odors, vibrations and other nuisances from other Units and areas within the Project and from other properties in the vicinity of the Project. Owners may also experience light entering a Unit from commercial lighting, LED signs and displays, and other lighting shows and activity in the vicinity of and from street lights located in close proximity to the windows and doors of the Unit.

10.8.14 Mold. Mold, mildew, fungi bacteria and microbiological organisms (collectively, “*Molds*”) are present in soil, air and elsewhere in the environment. Molds can proliferate in various environments including, without limitation, damp areas such as bathrooms, and within walls and partitions. Certain parties have expressed concerns about the possible adverse effects of human health from exposure to Molds. Due to various reasons, including the varying sensitivities of different individuals to various types of Molds, there currently exists no state or federal standards regarding acceptable levels of exposure to Molds. According to the Consumer Product Safety Commission and the American Lung Association, some diseases or illnesses have been linked with biological pollutants in the indoor environment, including some forms of Molds. However, it is believed that many of these conditions may also have causes unrelated to the indoor environment. Therefore, as of the date of this Declaration, it is unknown how many potential health problems relate primarily or exclusively to indoor air quality or Molds. Owners are advised that Declarant and the Association are not qualified and have not undertaken to evaluate all aspects of this very complex issue. Owners acknowledge that Declarant and the Association have not performed any testing or evaluation of, and make no representations or warranties, express or implied, concerning, the task, current or future presence or absence of Molds in the Unit, any Limited Common Elements allocated to the Unit, any unfinished perimeter walls located within the Unit or any other Common Elements. Declarant recommends that Owner, at Owner’s expense, conduct its own investigation and consult with such experts as Owner deems appropriate regarding the occurrence and effects of Molds, the potential sensitivity or special risk of the Owner, his or her family members, and other individuals, who will occupy or use the Unit or any Common Elements associated therewith, may have with respect to Molds, any methods to reduce or limit Molds within the Unit, any Limited Common Elements allocated to the Unit, or any unfinished perimeter walls located within the Unit.

When excessive moisture or water accumulates indoors, Molds can grow and will occur, particularly if the moisture problem remains unaddressed. There is no practical way to eliminate all Molds in an indoor environment. The key to controlling indoor Mold growth is to control moisture. Owners agree to maintain the Unit, any Limited Common Elements allocated to the Unit and any unfinished perimeter walls located within the Unit in such a manner as to reduce the potential for increased Mold formation or growth, including, without limitation, keeping dryer and other vents and/or fans clear and functioning and preventing and repairing plumbing, window and other leaks and other sources of moisture. Owners agree to make periodic inspections of the Unit, and Limited Common Elements allocated to the Unit and any unfinished perimeter walls located within the Unit for the presence of Molds or conditions which may

increase the ability of Molds to propagate within the Unit or such areas associated with the Unit and to monitor the Unit and such area on a continual basis for excessive moisture, water or Mold accumulation. If water or moisture is discovered in or around the Unit or such associated areas, the Owner agrees to immediately seek to eliminate the source of water or moisture, failure to eliminate the source of moisture can result in additional damage and growth of Mold. Declarant will not be responsible for damages and each Owner hereby waives all rights to damages and subrogation of damages. Each Owner agrees to indemnify Declarant and the Association and hold Declarant and the Association harmless from damages including all causes of personal injury or property damage, caused by the presence of Mold and/or water or moisture in a Unit or other portions of the Project to the extent that the damages are caused by: (i) the Owner's negligence or failure to properly maintain and monitor the Unit, any Limited Common Elements allocated to the Unit, or any unfinished perimeter walls located within the Unit; or (ii) the Owner's failure to promptly take appropriate corrective measures and minimize any damage caused by water or moisture (including, without limitation, failure to properly notify and engage the help of appropriate professionals or experts).

10.8.1 Roads. Certain roads and rights-of-way within Riverfront Village are or may be private and are or may be subject to rules and regulations of the entity which owns and is responsible for maintaining the applicable road or right-of-way.

10.8.2 Deed Restricted Units. The Project includes two (2) Deed Restricted Units which are deed restricted to require long-term occupancy by an individual who works in Eagle County as set forth in the applicable deed restriction.

10.8.3 Declarant Solely Responsible for Obligations. Declarant is part of the family of related but independent companies affiliated with East West Partners, Inc. "East West" is a service mark of East West Partners, Inc. Declarant is a separate, single-purpose entity that is solely responsible for all of its obligations and liabilities, and it is not the agent of East West Partners, Inc. or any other entity. Any obligation or liability of Declarant shall be satisfied solely from the assets of Declarant.

Encroachments referred to in this Section 11.4 include, but are not limited to, encroachments caused by error or variance from the original plans in the construction of the Building or any Condominium Unit constructed on the Property, by error in the Condominium Map, by settling, rising, or shifting of the earth, or by changes in position caused by repair or reconstruction of any part of the Project. Such encroachments shall not be considered to be encumbrances upon any part of the Project.

Section 11.5 Utility Easements. There is hereby created a general easement upon, across, over, in, and under all of the Property for ingress and egress and for installation, replacement, repair, and maintenance of all utilities and communications systems, including but not limited to water, sewer, gas, telephone, electricity, television, internet or other utility or communication systems. Should any company furnishing a service covered by the general easement request a specific easement by separate recordable document or a separate agreement with the Association, Declarant or the Executive Board shall have, and are hereby given, the right and authority to grant such easement upon, across, over, or under any part or all of the Property, and/or to enter into exclusive or non-exclusive agreements with companies providing such services, without conflicting with the terms hereof. The easements provided for in this Section shall in no way affect, avoid, extinguish, or modify any other recorded easement on the Property.

Section 11.6 Reservation of Easements, Exceptions and Exclusions. Declarant reserves for itself and its successors and assigns and hereby grants to the Association the concurrent right to establish from time to time by declaration or otherwise, utility and other easements, including but not limited to, for streets, paths, walkways, drainage, recreation areas, parking areas, ducts, shafts, flues, conduit installation areas, consistent with the ownership of the Property for the best interest of all of the Owners and the Association, in order to serve all the Owners of the Project.

Section 11.7 Maintenance Easement. An easement is hereby granted to the Association and any Managing Agent and their respective officers, agents, employees, and assigns upon, across, over, in, and under the Common Elements and a right to make such use of the Common Elements as may be necessary or appropriate to perform the duties and functions which they are obligated or permitted to perform pursuant to this Declaration.

Section 11.8 Easements of Access for Inspection, Maintenance and Emergencies. Some portions of the Common Elements or its related facilities are or may be located within the Condominium Units or may be conveniently accessible only through the Condominium Units. The Association shall have the irrevocable right to have access to each Condominium Unit from time to time during such reasonable hours as may be necessary for the inspection, maintenance, repair, removal, or replacement of any of the Common Elements therein or accessible therefrom or for making emergency repairs necessary to prevent damage to the Common Elements or to any Unit. Additionally, there is hereby created an easement for such Common Elements as they currently exist within the Condominium Units. Subject to the provisions

of Section 5.4 above, damage to the interior of any part of a Unit resulting from the maintenance, repair, emergency repair, removal, or replacement of any of the Common Elements or as a result of emergency repair within another Unit at the instance of the Association shall be a Common Expense.

Section 11.9 Declarant's Rights Incident to Construction and Marketing. Declarant, for itself and its successors and assigns, hereby retains a right and easement of ingress and egress over, in, upon, under, and across the Property and the right to store materials on the Property and to make such other use of the Property as may be reasonably necessary or incident to the complete construction and sale of the Project, including, but not limited to, construction trailers, temporary construction offices, sales offices, and directional and marketing signs; provided, however, that no such rights shall be exercised by Declarant in such a way as to unreasonably interfere with the occupancy, use, enjoyment, or access by any Owner, or family members, guests, or invitees of an Owner. Declarant, for itself and its successors and assigns, hereby retains a right to maintain any Unit or Units as sales offices, management offices or model residences so long as Declarant, or its successors or assigns, continues to be an Owner of a Unit. The use by Declarant of any Unit as a model residence, office or other use shall not affect the Condominium Unit's designation on the Map as a separate Unit. Declarant further reserves exclusive easement rights over and across the Property for the purpose of marketing, sales and rental of Units or of other projects developed or marketed by Declarant or its affiliates from time to time, including, without limitation, the right to show the Property and to display signs and other promotional devices.

Section 11.10 Governmental Requirements. Declarant hereby reserves the right to grant such easements, from time to time, as may be required by any government agency. An easement is hereby reserved by Declarant for itself and its successors and assigns and granted to the Association and its officers, agents, employees, successors and assigns to maintain offices, storage areas, conference areas, and common areas for use by the Association or Declarant within the Common Elements, subject to all rules and regulations established under this Declaration. The costs and carrying charges incurred by the Association in purchasing and owning any such Unit shall be part of the Common Expenses.

Section 11.13 Remodeling Easement. Declarant, for itself and its successors and assigns, including Owners, retains a right and easement in and about the Building for the construction and installation of any duct work, additional plumbing, or other additional services or utilities serving the Common Elements in connection with the improvement or alteration of the Common Elements, including the right of access to such areas of the Common Elements as is reasonably necessary to accomplish such improvements. In the event of a dispute among Owners with respect to the scope of the easement reserved in this Section, the decision of the Executive Board shall be final.

Section 11.14 Other Easements. Owners shall enjoy certain rights to and shall be obligated for their portion of certain expenses and fees arising under the "Amenities Declaration", "Common Driveway Declaration" and "Club Recreational Facilities Easement" as defined and described in Sections 10.8.7, 10.8.8 and 10.6.9, respectively, above.

Section 11.15 Easements Deemed Created. All conveyances of Units hereafter made, whether by Declarant or otherwise, shall be construed to grant and reserve the easements contained in this Article, even though no specific reference to such easements or to this Article appears in the instrument for such conveyance.

ARTICLE 12 LIMITED POWERS OF ATTORNEY

Section 12.1 Appointment to Association. Each and every Owner hereby irrevocably constitutes and appoints the Association as such Owner's true and lawful attorney-in-fact in such Owner's name, place, and stead for the purpose of dealing with the Project upon its damage, destruction, condemnation, or obsolescence as provided below in Articles 13, 14 and 15 below. In addition, the Association, or any insurance trustee or substitute insurance trustee designated by the Association, is hereby appointed as attorney-in-fact under this Declaration for the purpose of purchasing and maintaining insurance under Article 7 above, including: the collection and appropriate disposition of the proceeds of such insurance; the negotiation of losses and the execution of releases of liability; the execution of all documents; and the performance of all other acts necessary to accomplish such purpose. The Association, or any insurance trustee, shall hold or otherwise properly dispose of any insurance proceeds in trust for the Owners and their Mortgagees, as their interests may appear.

Section 12.2 Appointments; General Authority. Acceptance by any grantee of a deed or other instrument of conveyance from Declarant or from any Owner shall constitute appointments of the attorneys-in-fact as provided above. The applicable attorney-in-fact as described above shall have full and complete authorization, right, and power to make, execute, deliver and record any document or instrument with respect to the interest of any Owner and, if applicable, Mortgagee which may be necessary or appropriate to exercise the powers granted to the attorney-in-fact as described in each appointment.

ARTICLE 13 DAMAGE OR DESTRUCTION

Section 13.1 The Role of the Board. Except as provided in Section 13.6, in the event of damage to or destruction of all or part of any Common Elements or other property covered by insurance written in the name of the Association under Article 7 (the "Covered Elements"), the Board shall arrange for and supervise the prompt repair and restoration of the Covered Elements including, without limitation, the floor coverings, fixtures, and improvements originally constructed or installed, and replacement thereof installed by the Owners up to the value of those originally constructed or installed, but not including any furniture, furnishings, fixtures, equipment, or other personal property supplied or installed by the Owners in the Units unless covered by insurance obtained by the Association. To the extent the damage or destruction affects all or part of any Unit or its Limited Common Elements or otherwise relating to an individual class of Owners, the Directors representing the Owners of the Units damaged shall perform the foregoing functions. Notwithstanding the foregoing, each Owner shall have the right to supervise the redecorating of its Unit.

Section 13.2 Estimate of Damages or Destruction. As soon as practical after an event causing damage to or destruction of any part of the Covered Elements, the Association shall, unless such damage or destruction shall be minor, obtain an estimate or estimates that it deems reliable and complete of the costs of repair and reconstruction of that part of the Covered Elements damaged or destroyed. "Repair and reconstruction" as used in this Article 13 shall mean restoring the damaged or destroyed part of the affected Covered Elements to substantially the same condition in which it existed prior to the damage or destruction, with such affected Covered Elements having substantially the same vertical and horizontal boundaries as before.

Section 13.3 Repair and Reconstruction. As soon as practical after obtaining estimates, the Association shall diligently pursue to completion the repair and reconstruction of the part of the Covered Elements damaged or destroyed. As attorney-in-fact for the Owners, the Association may take any and all necessary or appropriate action to effect repair and reconstruction, and no consent or other action by any Owner shall be necessary in connection with that action.

Section 13.4 Funds for Repair and Reconstruction. Subject to the provisions of Section 13.6 below, the proceeds received by the Association from any hazard insurance shall be used for the purpose of repair, replacement, and reconstruction. Notwithstanding the foregoing, in the event that insurance proceeds are insufficient to pay the estimated cost of repair, replacement or reconstruction of the damaged improvements based on the estimate or estimates of the costs to complete same and such damage is less than the seventy percent (70%) threshold of damage as discussed in Section 13.6 below, then Owners representing at least sixty-seven percent (67%) of the total allocated votes in the Association and every Owner of a Unit or its appurtenant Limited Common Elements that will not be rebuilt may agree in writing not to repair and reconstruct the damaged improvements or may adopt a plan for the construction of alternative improvements. Any improvements not reconstructed shall be restored to an attractive state and maintained by the Association in a neat and attractive condition. Any remaining insurance proceeds shall be distributed in accordance with Section 7.7.2 above or as otherwise required by the Act.

Section 13.5 Insurance Proceeds Sufficient to Repair. In the event of damage or destruction due to fire or other disaster, the insurance proceeds, if sufficient to reconstruct the improvements, shall be applied by the Association as attorney-in-fact to such reconstruction, and the improvements shall be promptly repaired and reconstructed. The Association shall have full authority, right, and power as attorney-in-fact to cause the repair and restoration of the improvements. Assessments for Common Expenses shall not be abated during the period of insurance adjustments and repair and reconstruction.

Section 13.6 Insurance Proceeds Insufficient to Repair; Special Assessment; Remedies for Failure to Pay Special Assessment. If the insurance proceeds are insufficient to repair and reconstruct the improvements, and if such damage is not more than seventy percent (70%) of the total replacement cost of all of the Covered Elements, not including land, such damage or destruction shall be promptly repaired and reconstructed by the Association as attorney-in-fact, using the proceeds of insurance and, if permitted under the Act, the proceeds of a special Assessment to be made against all of the Owners and their Units. Any such special Assessment shall be a Common Expense and shall be due and payable as provided in Article 6 above. The Association shall have full authority, right, and power as attorney-in-fact to cause the repair, replacement, or restoration of the improvement using all of the insurance proceeds for such purpose, notwithstanding the failure of an Owner to pay the Assessment.

Any Assessment provided for in this Section shall be a debt of each Owner and a lien on the Owner's Unit and may be enforced and collected as provided in Article 6 above.

If the insurance proceeds are insufficient to repair and reconstruct the improvement, and if such damage is more than seventy percent (70%) of the total replacement cost of all of the Covered Elements, not including land, such damage or destruction shall be promptly repaired and reconstructed by the Association, as attorney-in-fact, using the proceeds of insurance and, if permitted under the Act, the proceeds of a special Assessment made against all of the Owners and their Units, provided, however, that sixty-seven percent (67%) of the votes of the Owners, including sixty-seven percent (67%) of all votes allocated to Residential Owners and sixty-seven percent (67%) of all votes allocated to Commercial Owners, and fifty-one percent (51%) or more of the First Mortgagees of record, may elect to terminate the Association; and in such event, the Association shall forthwith record a notice setting forth such fact or facts, and upon the recording of such notice by the Association's president and secretary or assistant secretary, the General Common Elements or Limited Common Elements shall be rendered safe and not unsightly and shall be permitted to remain in such state and any General Common Elements or Limited

Common Elements capable of sale shall be sold pursuant to the provisions of this Section by the Association free and clear of the provisions contained in this Declaration and the articles of incorporation, and bylaws of the Association. Assessments for Common Expenses shall not be abated during the period prior to sale.

In such event, the insurance settlement proceeds shall be collected by the Association, and such proceeds shall be divided by the Association according to each Owner's percentage interest in the General Common Elements and such divided proceeds shall be paid into separate accounts, each such account representing one of the Units. Each such account shall be in the name of the Association, and shall be further identified by the Unit designation and the name of the Owner and designated as an agency account. From each separate account the Association, as attorney-in-fact, shall use and disburse the total amount of each of such accounts, without contributions from one account to another, toward the partial or full payment of the lien of any First Mortgagee encumbering the Unit represented by such separate account. Thereafter, each such account shall be supplemented by the apportioned amount of the proceeds obtained from the sale, if any, of the General Common Elements or Limited Common Elements. Such apportionment shall be based upon each Unit Owner's percentage interest in the General Common Elements or Limited Common Elements, as applicable. The total funds of each account shall be used and disbursed, without contribution from one account to another, by the Association as attorney-in-fact for the purposes and in the order as follows:

13.6.1 For payment of real property ad valorem taxes, special assessment liens duly imposed by a governmental subdivision, and customary expenses of sale;

13.6.2 For payment of the balance of the lien of any First Mortgage affecting the Unit;

13.6.3 For payment of unpaid Association assessments, interest, costs, late charges, expenses and attorneys' (and legal assistants') fees;

13.6.4 For payment of unpaid Association Assessments, interest, costs, late charges, expenses and attorneys' (and legal assistants') fees;

13.6.5 For payment of junior Mortgages affecting the Unit in the order of and to the extent of their priority; and

13.6.6 For payment of the balance remaining, if any, to the Owner of the Unit.

In the event that the Owners and First Mortgagees do not elect to terminate the Association as provided above, by approval of Owners representing at least eighty percent (80%) of the total votes of in the Association, and every Owner of a Unit or its appurtenant Limited Common Element that will not be rebuilt, and the consent of fifty-one percent (51%) or more of the First Mortgagees of record, it may alternatively be determined not to repair and reconstruct improvements within the Common Elements, and if no alternative improvements are authorized, then and in that event the damaged property shall be restored to a safe and not unsightly state and maintained as an undeveloped portion of the Common Elements by the Association in a neat and attractive condition. Any remaining insurance proceeds shall be distributed in accordance with the Act.

Section 13.7 Repairs. All repairs and reconstruction contemplated by this Article 13 shall be performed substantially in accordance with this Declaration and the original plans and specifications for the Covered Elements, unless other action is approved by the Association in accordance with the requirements of this Declaration and the other Association Documents.

Section 13.8 Notice of Damage or Destruction to First Mortgagees. In the event that a substantial portion of the General Common Elements or Limited Common Elements is substantially

damaged or destroyed by fire or other casualty, then written notice of the damage or destruction shall be given by the Association to each Owner within a reasonable time following the event of casualty damage.

ARTICLE 14 OBSOLESCENCE

Section 14.1 Adoption of Plan; Rights of Owners. By approval of Owners representing an aggregate ownership interest in the General Common Elements of eighty-five percent (85%) or more, including eighty-five percent (85%) or more of all votes allocated to Residential Owners and eighty-five percent (85%) or more of all votes allocated to Commercial Owners, and the consent of fifty-one percent (51%) or more of the First Mortgagees of record, the Project may be declared obsolete and a written plan for the renewal and reconstruction thereof may be adopted. Written notice of the adoption of such a plan shall be given to all Owners and a copy of such plan shall be recorded in the real property records of Eagle County, Colorado, and the expense of renewal and reconstruction shall be payable by all of the Owners as Common Expenses; provided, however, that an Owner not a party to such a plan for renewal or reconstruction may give written notice to the Association within fifteen (15) days after the date of adoption of such plan that its Unit shall be purchased by the Association for the fair market value of the Unit in cash or certified funds. The Association shall then have thirty (30) days after the expiration of such 15-day period within which to cancel such plan. If such plan is not canceled, the Unit of the requesting Owner shall be purchased according to the following procedures.

If such Owner and the Association can agree on the fair market value of the Unit, then such sale shall be consummated within ninety (90) days after such agreement. If the parties are unable to agree, the date when either party notifies the other that no agreement may be reached shall be the "commencement date" from which all periods of time mentioned hereafter shall be measured. Within ten (10) days following the commencement date, each party shall nominate in writing (and give notice of such nomination to the other party) an independent appraiser. If either party fails to make such a nomination, the appraiser nominated shall, within five (5) days after default by the other party, appoint and associate with another independent appraiser. If the two designated or selected appraisers are unable to agree on the fair market value of the Unit, they shall appoint another independent appraiser to be umpire between them, if they can agree on such person, which umpire shall independently determine the fair market value of the Unit in the case of continued disagreement. If the two appraisers are unable to agree upon such umpire, each appraiser previously appointed shall nominate two independent appraisers, and from the names of the four appraisers so nominated one shall be drawn by lot by any judge of any court of record in Colorado, and the name so drawn shall be such umpire. The nominations from whom the umpire is to be drawn by lot shall be submitted within ten (10) days of the failure of the two appraisers to agree, which, in any event, shall not be later than twenty (20) days following the appointment of the second appraiser.

The decision of the appraisers as to the fair market value, or in the case of their disagreement, then such decision of the umpire shall be final and binding, and a judgment based upon the decision rendered may be entered in any court having jurisdiction thereof. The expenses and fees of such appraisers shall be borne equally by the Association and the Owner. The sale shall be consummated within fifteen (15) days thereafter, and the Association, as attorney-in-fact, shall disburse such proceeds for the same purposes and in the same order as provided in Sections 13.6.1 through 13.6.6 above.

Section 14.2 Sale of Obsolete Units. By approval of Owners representing an aggregate ownership interest in the General Common Elements of eighty-five percent (85%) or more, including eighty-five percent (85%) or more of all votes allocated to Residential Owners and eighty-five percent

(85%) or more of all votes allocated to Commercial Owners, and the consent of fifty-one percent (51%) or more of the First Mortgagees of record, the Units may be declared obsolete and that the Project should be sold. In such instance, the Association shall immediately record in the real property records of Eagle County, Colorado, a notice setting forth such fact or facts, and upon the recording of such notice by the Association, the Project shall be sold by the Association, as attorney-in-fact for all of the Owners, free and clear of the provisions contained in this Declaration, the Map and all governing documents of the Association. Unless otherwise agreed in writing by all the Owners, the sale proceeds (and any insurance proceeds under Section 7.4 above) shall be apportioned among the Owners in proportion to each Owner's undivided interest in the Common Elements, and such apportioned proceeds shall be paid into separate accounts, each such account representing one Unit. Each such account shall be in the name of the Association, and shall be further identified by the Unit designation and the name of the Owner and designated as an agency account. From each separate account the Association, as attorney-in-fact, shall use and disburse the total amount of such accounts, without contribution from one account to another, for the same purposes and in the same order as is provided in Sections 13.6.1 through 13.6.6 above.

ARTICLE 15 CONDEMNATION

Section 15.1 Consequences of Condemnation. If, at any time or times, all or any part of the General Common Elements or Limited Common Elements shall be taken or condemned by any public authority or sold or otherwise disposed of in lieu or in avoidance of condemnation, then all compensation, damages, or other proceeds of condemnation, the sum of which is referred to as the "condemnation award" below, shall be payable to the Association, and the provisions of this Article 15 shall apply. The condemnation award shall be apportioned among the Owners and the Mortgagees as follows: (a) with respect to General Common Elements so condemned, on the basis of their respective percentage interests in the General Common Elements, (b) with respect to Limited Common Elements so condemned, on the basis of a Unit's percentage interest in the General Common Elements as a percentage of the aggregate percentage interests of all Units to which such Limited Common Element is appurtenant. The Association shall, as soon as practical, determine the share of the condemnation award to which each Owner and Mortgagee is entitled, and such shares shall be paid into separate accounts and disbursed as soon as practical for the same purposes and in the same order as is provided in Sections 13.6.1 through 13.6.6 above.

Section 15.2 Repair and Reconstruction. Any repair and reconstruction necessitated by condemnation shall be governed by the procedures contained in Article 13 above.

Section 15.3 Notice of Condemnation. In the event that any portion of the General Common Elements or Limited Common Elements shall be made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, then timely written notice of such condemnation shall be given by the Association to each Owner and First Mortgagee.

ARTICLE 16 ALTERNATIVE DISPUTE RESOLUTION

Section 16.1 IMPORTANT NOTICE: Agreement to Encourage Resolution of Disputes; Exclusive Procedures; Statutes of Limitation. Declarant, the Association, and their respective officers and directors, all Owners, and any Person not otherwise subject to the Declaration but who agree to submit to the procedures set forth in this Article (these "Procedures"), including all construction professionals, architects, contractors, subcontractors, developers, builders, builder vendors, engineers, inspectors and others who performed or furnished any engineering, design, planning, supervision, inspection, construction or observation of the construction of any improvement in the Project (each of the foregoing being referred to as a "Party"), hereby agree to encourage the amicable resolution of disputes involving the Project and all of its improvements without the emotional and financial costs of litigation. Accordingly, each Party

covenants and agrees to submit all Claims, as defined below, each alleges to have to the Procedures set forth herein and not to a court of law. **All Parties hereby agree to the mandatory mediation and arbitration of all Claims as set forth in this Article and irrevocably waive any right to trial of any Claim by jury or otherwise in a court of law.**

Each Party agrees that these Procedures shall be the sole and exclusive remedy that each Party shall have for any Claim. Should any Party commence litigation or any other action against any Party in violation of the terms of this Article, such Party shall reimburse all costs and expenses, including attorneys' fees, incurred by the other Party in such litigation or action within ten (10) days after written demand.

The Parties understand and agree that no Claim may be initiated after the date when institution of legal or equitable proceedings based on such Claim would be barred by the applicable statute of limitation or statute of repose.

Section 16.2 Statement of Clarification. Without modifying or restricting the scope of these Procedures and as a statement of clarification only, the intent of these Procedures is to foster constructive dialogue between the Parties, to permit corrective measures to be implemented without the necessity of final settlement documentation, to inform Parties of implications related to certain Claims that may not otherwise be readily apparent to such Parties, and to assist the Parties in resolving Claims, if possible, *before* incurring significant legal and consultant expenses, particularly through the informal Procedures set forth in Section 16.4 below.

Section 16.3 Certain Definitions.

16.3.1 Definition of Claim. As used in this Article, the term "Claim" shall mean all claims, disputes and other controversies between one Party and another Party, regardless of how the same may have arisen or on what it might be based, excepting only those matters identified as exclusions in this Section below. Without limiting the generality of the foregoing, "Claim" shall include all claims, disputes or controversies relating to or arising out of, in whole or in part, any of the following: (a) any Agreement for Sale and Purchase between Declarant and any Owner; (b) the Property or the Unit (as defined in any such Agreement); (c) the purchase of the Property or the Unit; (d) the interpretation, application or enforcement of any of the Association Documents or Project Association Documents (sometimes referred to collectively as the "Association Documents"); (e) the soils of any property that lie within the Project or the presence of radon and/or mold within any Unit or other areas within the Project; (f) land development, design, construction and/or alteration of any of the improvements within the Project and/or any alleged defect therein; (g) any rights, obligations or duties of any Party under any of the Association Documents or any warranty, whether express, implied or limited, owed by a Party; (h) any limited warranty agreement between Declarant and any Owner and/or the Association; or (i) any breach of any of the foregoing referenced documents.

Notwithstanding the foregoing, the following will not be considered "Claims" unless all parties to the matter otherwise agree to submit the matter to the Procedures set forth in this Article: (i) any suit by the Association to collect assessments or other amounts due from any Owner, (ii) any suit or other action by the Association or Declarant to act under or enforce any provisions of this Declaration relating to additions or alteration of improvements by Owners and/or any restrictive covenants or obligations of this Declaration, including any suit to obtain a temporary restraining order or injunction (or equivalent emergency equitable relief) or such other ancillary relief as the court may deem necessary, and (iii) any suit between Owners, which does not include Declarant or the Association as a party.

16.3.2 Definition of Defect Claim. Any Claim involving the development, design, construction and/or alteration of the Project or any improvement within the Project and/or any alleged defect

therein, however arising, is referred to herein as a “Defect Claim” and the alleged defect, the “Alleged Defect.” The Association, its officers, directors and members, and Owners generally acknowledge, understand and agree that not every necessary repair or replacement of an improvement within the Project is due to a construction defect and, similarly, Declarant and other construction and design professionals that are Parties hereunder generally acknowledge, understand and agree that not every necessary repair or replacement of an improvement is due to faulty required maintenance of or damage to such improvement. Often, such repair and replacement issues arise from a combination of issues that may or may not include the original design and construction, the level of inspection and maintenance programs (or lack thereof) and the existence of other factors such as unusual weather events or conditions, improper use and/or unforeseen wear and tear. This Article supports a proper evaluation of all factors and encourages a collaborative and comparative approach to responsibility.

16.3.3 Association and Owner Responsibilities. The Association and its Executive Board and each Owner understand and acknowledge the importance of a regular inspection and maintenance program for the Project and the Units therein and shall comply with all maintenance manuals and other documents and recommendations provided to the Association and/or Owners with respect to the inspection, operation and routine maintenance of all systems, equipment, and similar items (including, but not limited to, mechanical, electrical, plumbing, structural and exterior systems and improvements) made part of or serving the Project or its Units. The Association and each Owner shall perform such recommended inspection and maintenance and shall make all necessary repairs and maintenance called for to reasonably address the results of these inspections and to maintain the Project and its Units to a level consistent with its original quality. Further, the Executive Board and each Owner shall cooperate, at no cost or expense to them, with all inspections that may be undertaken by or at the request of the Declarant on or with respect to the Project or its Units and any improvement thereon or therein. The Association and each Owner understand, assume the risk and agree that, if the Association or such Owner fails to follow the inspection, maintenance and repair requirements and standards contained in such manuals or materials delivered to them and such failure causes, whether in whole or in part, damage to the Project or its Units, to any improvement within the Project or to other property, the resulting damage shall not be deemed to be the result of a design or construction defect.

Section 16.4 Informal Procedures.

16.4.1 Association Meetings. For a period of eight (8) years following the recording of this Declaration, notices of Association and director meetings (including notice of agenda items relating to potential Defect Claims) shall be given to Declarant, and Declarant and/or its representative(s) shall be entitled to attend and participate in at least one (1) meeting of the Association’s members to discuss any potential Claim against Declarant. The Declarant and the Executive Board agree to use their respective good faith efforts to engage in constructive dialogue toward the goal of resolving any design or construction concerns.

16.4.2 Initial Notice. Any Party asserting a Claim (“Claimant”) against another Party (“Respondent”) shall give written notice to each Respondent and to the Executive Board stating Claimant’s good faith description of: (i) the nature of the Claim, including the persons involved and the Respondent’s role in the Claim, and (ii) the Claimants’ desire to meet with the Respondent to discuss in good faith, ways to resolve the Claim. In that legal and professional fees are discouraged at this stage of these Procedures, no statement as to the legal basis of the Claim or of any proposed remedy is necessary.

16.4.3 Right to be Heard; Negotiation. Any Respondent shall have the right to be heard by the Claimant and, if any Claimant is the Association, by the Members, and the Claimant shall make itself reasonably available upon the request of Respondent to meet in person and to confer for the purpose of resolving the Claim by good faith negotiation. The Parties shall confer and negotiate in good faith toward such resolution for a minimum period of forty-five (45) days after the date that the Claimant

has provided notice to each Respondent pursuant to Section 16.4.2 above. Notwithstanding such minimum negotiations period, the Parties are encouraged throughout these Procedures to attempt to resolve any differences between them through ongoing communications and informal dialogue. Any settlement of the Claim through discussion and negotiation shall be documented in writing and signed by the Parties in the manner described in Section 16.6.4 below.

16.4.4 Right to Inspect, Cure and Correct. Any Respondent shall have the right (without obligation), before the institution by the Claimant of binding arbitration below, to inspect, cure and correct any improvement or condition within the Project with respect to a Defect Claim, as follows:

16.4.4.1 In addition to other rights and obligations set forth in this Article, a Respondent may elect to inspect the Alleged Defect, in which event the Respondent shall complete the initial inspection and testing within thirty (30) days after the date that the Claimant has provided notice to each Respondent pursuant to Section 16.4.2 above, and at a mutually agreeable date and time. The Respondent shall bear all costs of inspection and testing, including any damage caused by the inspection and testing. Before entering onto the Project for the inspection, the Respondent shall supply the Claimant with proof of liability insurance coverage. The Respondent shall, upon request, allow the inspection to be observed and recorded or photographed. Nothing that occurs during a Respondent's inspection may be used or introduced as evidence to support a defense of spoliation of evidence by the Claimant or any potential party in subsequent litigation.

16.4.4.2 Within sixty (60) days of completion of the initial inspection or testing, the Respondent may elect to repair some or all of the Alleged Defects by sending a written notice of election to repair to the Claimant. Notwithstanding any tolling provided by law, the applicable statutes of limitation and repose on any and all Claims relating to the Alleged Defects shall be tolled (i) from the completion of the initial inspection and/or testing until (a) Respondent's written notice of election to repair, or (b) the expiration of sixty (60) days, whichever is sooner; and (ii) from the date of any written notice of election to repair by Respondent until sixty (60) days after substantial completion of the repairs. This tolling applies to any and all Claims relating to Alleged Defects for which Claimant has given written notice pursuant to subparagraph 16.4.2 (regardless of whether Respondent has elected to repair none, some or all of the Alleged Defects). If the Respondent elects to repair some or all of the Alleged Defects, then (i) Respondent has the right to do so and the Claimant may not, directly or indirectly, impair, impede or prohibit the Respondent from making repairs; and (ii) until after the substantial completion of the repairs (a) the Claimant shall not file or pursue final binding arbitration (but may pursue mediation), and (b) if the Claimant is the Association, the Claimant shall not undertake the procedures for a consensus vote for Association action set forth in subparagraph 18.5.4. With any notice of election to repair, Respondent shall provide to Claimant a list of the Alleged Defects that Respondent has elected to repair, a detailed explanation of the repair work to be performed and the reasonably expected completion date for the repairs. The notice shall also include the name of any contractors the Respondent intends to employ for the repairs. Claimant shall promptly cooperate with the Respondent to schedule the repairs and provide reasonable access to the Project (including Common Elements and Condominium Units) for the repairs.

16.4.4.3 For the purpose of exercising the rights to inspect, cure, correct and repair set forth above in subparagraphs 16.4.4.1 and 16.4.4.2, Declarant reserves for itself, its designees, the Association and its designees, a perpetual nonexclusive easement of access throughout the Project (including Common Elements and Units) to the extent reasonably necessary to exercise such rights.

16.4.4.4 Within ten (10) days after receipt of the Respondent's notice to repair, a Claimant may deliver to the Respondent a written objection to the proposed repair if the Claimant believes in good faith that the proposed repairs will not remedy the Alleged Defect. The Respondent may

elect to modify the proposal in accordance with the Claimant's objection, or may proceed with the scope of work set forth in the original proposal.

16.4.4.5 If the Respondent fails to send a notice to repair or otherwise strictly comply with this Section 16.4.4 within the specified time frames, or if the Respondent does not complete the repairs within the time set forth in the notice to repair, the Claimant shall be released from the requirements of this Section 16.4.4 and may proceed with the formal procedures set forth in Section 16.5 below. Notwithstanding the foregoing, if the Respondent notifies the Claimant in writing before the stated completion date that the repair work will not be completed by the completion date, the Respondent shall be entitled to one reasonable extension of the completion date.

16.4.4.6 The Respondent shall notify the Claimant when repairs have been completed. The Claimant shall have ten (10) days following the completion date to have the work inspected to verify that the repairs are complete and satisfactorily resolved the Alleged Defect. A Claimant who believes in good faith that the repairs made do not resolve the Alleged Defect may proceed with the formal procedures set forth in Section 16.5 below.

16.4.4.7 With respect to areas of repair work undertaken by the Respondent pursuant to these Procedures, the Respondent will conduct daily clean-up and render the work site each night in a safe and orderly condition and, at the completion of the repair work, shall restore the affected areas to substantially the same condition in which they existed prior to the repair, subject to any additional improvements or alterations involved with the repair. The specific materials and workmanship related to the repair work performed by the Respondent shall be warrantied against material defects for a period of one (1) year, which warranty shall be in addition to any express warranties on the original work and shall be subject to the same terms and conditions of the original express warranty, but which repair work shall not be construed to be an "improvement" to real property for purposes of C.R.S. § 13-80-104.

16.4.4.8 Any Alleged Defect discovered after repairs have been completed shall be subject to the same requirements of this Article if the Respondent did not have notice or an opportunity to repair the new Alleged Defect.

16.4.5 No Requirement for Final Settlement to Begin Repairs; Settlement Proposal. The informal Procedures set forth in this Section 16.4 are for the purpose of encouraging early resolution of Claims and no formal written settlement or other agreement shall be required for inspection and corrective work to occur pursuant to Section 16.4.4 above. No Party shall be deemed to have waived any rights or Claims by reason of such corrective work, and the Claimant shall be entitled to monitor the effectiveness of the corrective measures instituted. Alternatively, if the Respondent desires a formal settlement agreement before commencing corrective measures or other action to resolve the subject matter of the Claim, the following Procedures may be employed:

16.4.5.1 Within thirty (30) days following completion of the inspection process, the Respondent may give Claimant written notification of its settlement proposal, including, in the case of a proposal to remedy a Defect Claim, a report of the scope, findings and results of the inspection,

the damage caused by the Alleged Defect and a description of and a timetable for the work necessary to remedy the Alleged Defect.

16.4.5.2 Within fifteen (15) days after its receipt of Respondent's settlement proposal, Claimant shall notify Respondent of its acceptance or rejection thereof. Failure to give such notice shall be deemed to be a rejection of the proposal

16.4.5.3 If the settlement proposal for remedial work is accepted, Claimant and Respondent shall endeavor to document the settlement proposal in writing within thirty (30) days after acceptance, which settlement shall be signed by the Parties in the manner described in Section 16.6.4 below.

16.4.6 Effect of Corrective Work. It is acknowledged and agreed by all Parties and by any guarantors, insurers and/or indemnitors of the Parties that any work conducted pursuant to Section 16.4.4 above (a) is in the nature of corrective or repair work and does not constitute nor shall be asserted or construed to be an "improvement" to real property for purposes of C.R.S. § 13-80-104, and (b) unless part of a written settlement agreement signed by the Claimant and each Respondent, does not constitute nor shall be asserted or construed to be a voluntary payment or assumption of a voluntary obligation without insurer consent under any applicable commercial general liability insurance policy.

16.4.7 Broad Construction. The Procedures set forth in this Section 16.4 are designed to encourage the good faith resolution of a Claim or appropriate correction of improvements and the right of the Respondent to be heard and to inspect and correct shall be ongoing and construed liberally throughout all of the Procedures set forth in this Article so as to permit the same, for example but not limitation, as there arise new issues, legal theories, engineering opinions, developments with insurers, and other developments and information, even if after the formal dispute resolution procedures commence as described below. Accordingly, the informal and formal dispute resolution procedures are anticipated to run concurrently from time to time and the Parties agree to reasonably, timely and in good faith cooperate with each other to respond to requests, to permit the rights set forth in these Procedures and to facilitate the processes of these Procedures toward the goal of a successful and voluntary resolution of Claims.

Section 16.5 Formal Notice and Association Consensus.

16.5.1 Formal Notice. At any time following the forty-five (45) day negotiation period described in Section 16.4.3 above (or following such longer period as the Parties may agree), the Claimant may provide written formal notice to each Respondent stating (i) the nature of the Claim, including if applicable a list of any alleged construction defects and a description, in reasonable detail, of the type and location of such defects, the damages claimed to have been caused thereby, and Respondent's role in the Claim, (ii) the legal or contractual basis of the Claim (i.e., the specific authority out of which the Claim arises), (iii) the date on which the Claim first arose, and (iv) the specific relief and/or proposed remedy sought. Notwithstanding the foregoing or any contrary provision herein, the Claimant shall, in addition to complying with these Procedures, follow the alternative dispute resolution procedures set out in the Construction Defect Action Reform Act, Colo. Rev. Stat. § 13-20-801 et seq., as it may be amended from time to time ("CDARA") and the procedures set forth in Colo. Rev. Stat. § 38-33.3-303.5 et seq. ("CCIOA Construction Defect Procedures") with respect to any Defect Claim, and the initial formal notice required under CDARA and required pursuant to Colo. Rev. Stat. § 38-33.3-303.5(1)(e) may be combined with the formal notice of Claim required by this Section 16.5.1.

Formal written notice as provided in this Section and the satisfaction of the Association Consensus Vote (defined below), if applicable, is required as an express condition to commence the resolution Procedures set forth in Sections 16.6, 16.7 and the Sections following, below.

16.5.2 Association Defect Claims. Notwithstanding any contrary provision herein, no formal notice of Claim under Section 16.5.1 (including, without limitation, a Notice of Claim under CDARA) may be further pursued by a Claimant (a) if the Claim is a Defect Claim which relates, in whole or in part, to the Common Elements (including Limited Common Elements) of the Project or to any portion of the Units that is the responsibility of the Association to maintain, repair, and replace or to any Defect Claim that the Association intends to assert on its own behalf or on behalf of Owners (referred to herein as an "Association Defect Claim"), and (b) unless and until the Procedures set forth in this Section 16.5 below are satisfied. The Parties understand and agree that the Procedures of this Section 16.5 are essential to the protection of individual Owners who may not understand the implications and effects of the assertion of an Association Defect Claim by the Association, including, without limitation, the possible impact of such Claim on sales of Units within the Project and/or the ability of Owners to borrow funds when an Owner's Unit is being pledged as collateral for the loan.

16.5.3 Power of Attorney to Association. The Association is hereby designated to act as the exclusive representative of all Owners who are members of the Association in asserting any Association Defect Claim, and each Owner does hereby appoint the Association to exclusively act as its power of attorney (which power shall be irrevocable) with respect to any Association Defect Claims, including the right to compromise and settle the same. No Owner shall assert an Association Defect Claim except through the Association.

16.5.4 Meeting and Consensus Vote for Association Action. Notwithstanding anything contained in these Procedures to the contrary and in addition to any requirements prescribed by law, before asserting a Claim the Association shall do the following:

16.5.4.1 The Executive Board of the Association, following the approval of an Association Defect Claim by a majority of all of its directors, shall mail or deliver written notice to each Owner at the Owner's last-known address described in the Association's records and to each Respondent containing all of the information and disclosures required by Colo. Rev. Stat. § 38-33.3-303.5(1)(c) and, to the extent not required by such Statute, the following: (a) the manner in which the Association proposes to fund the cost of the Association Defect Claim, including any proposed special assessments or use of reserves, (b) the anticipated duration of the Association Defect Claim, the likelihood of its success, and the risks to which the Association is exposed (e.g., an assessment of counter-claims and/or other potential liability to the Association), (c) a reasonable assessment and explanation of the anticipated impact of the Association Defect Claim on the marketability of Units for sale within the Project and the impact on the ability of Owners to refinance and buyers of Units to secure financing, explained for both during the pendency of the Association Defect Claim and after its resolution, together with a prominent statement advising Owners if it is concluded that any such impact does exist, (d) a prominent statement advising Owners that the existence of the Association Defect Claim may represent a material matter requiring legal disclosure to lenders, purchasers, auditors and/or other appropriate parties, and (e) providing proper notice for a meeting of Owners to be held not sooner than ten (10) days or longer than fifteen (15) days after such mailing, at which Owners shall discuss (but not yet vote) on whether to approve the Association Defect Claim as described in Section 16.5.4.2 below. A failure to hold the meeting within this time period voids the subsequent vote. A quorum is not required at the meeting. Respondents will be invited to attend and will have an opportunity to address the Owners concerning the Association Defect Claim as required by Colo. Rev. Stat. § 38-33.3-303.5(1)(c).

16.5.4.2 The Association Defect Claim must be approved and authorized by the affirmative written vote during the voting period, which voting period commences upon the conclusion of the Owner meeting and extends to the date falling ninety (90) days after the date of the notice described in Section 16.5.4.1 above (or, if earlier, the date when the Association determines that the Association Defect Claim is either approved or disapproved) (the "Voting Period"), by delivery of a written ballot or other written form of approval approved by the Executive Board directing the specific vote of the Owner

(but not by proxy granting discretion to the proxy holder as to how to vote), of Owners holding at least a majority of the total voting rights in the Association (the “Association Consensus Vote”).

16.5.4.3 The Association Consensus Vote must be obtained before the expiration of the Voting Period; otherwise the Owners shall be deemed to have declined to provide their approval of Association Defect Claim.

16.5.4.4 Notwithstanding any contrary provision or lack of provision herein, the Association shall fully and timely comply with all requirements of Colo. Rev. Stat. § 38-33.3-303.5, et seq., as supplemented by this Section 16.5. Further, notwithstanding this Section 16.5.4, the notice to Owners, meeting and vote set forth in this Section 16.5.4 is not required for an Association to proceed when the Association is the contracting party for the performance of labor or purchase of services or materials.

16.5.5 Limit on Director and Officer Liability. No director or officer of the Association shall be liable to any person or entity for failure to institute or maintain or bring to conclusion a cause of action, mediation or arbitration for an Association Defect Claim if the following criteria are satisfied: (i) the director or officer was acting within the scope of his or her duties; (ii) the director or officer was not acting in bad faith; and (iii) the act or omission was not willful, wanton or grossly negligent.

16.5.6 Tolling. All statutes of limitation and repose applicable to an Association Defect Claim shall be deemed tolled as provided in Colo. Rev. Stat. § 38-33.3-303.5 et seq.

Section 16.6 Mediation.

16.6.1 Following the formal written notice discussed in Section 16.5.1 above and, if applicable, the approval of the Association Consensus Vote within the Voting Period, the Claimant shall have thirty (30) days to submit the Claim to mediation with an entity designated by the Association (if the Association is not a party to the Claim) or to an independent agency providing dispute resolution services in Eagle County, Colorado unless otherwise agreed by the Parties. A mediator shall be selected no later than forty-five (45) days after the Claimant has given notice to the Respondent of its submittal to mediation and, if the Association is a Party and the Parties are unable to agree on a mediator, one shall be chosen by the American Arbitration Association. Each Party shall bear its own costs of the mediation, including attorneys' fees, and each Party shall share equally all charges rendered by the mediator.

16.6.2 If the Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation when scheduled, the Claimant shall be deemed to have waived the Claim, and the Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to any person other than the Claimant.

16.6.3 If the parties do not settle the Claim within thirty (30) days after submission of the matter to mediation, or within such time as determined reasonable by the mediator, the mediator shall issue a notice of termination of the mediation proceedings indicating that the parties are at an impasse and the date that mediation was terminated. The Claimant shall thereafter be entitled to submit the Claim to binding arbitration as provided below.

16.6.4 Any settlement of the Claim through mediation or through negotiation shall be documented in writing and signed by the Parties. If any Party thereafter fails to abide by the terms of such agreement, then any other Party may file suit or initiate administrative proceedings to enforce such agreement without the need to again comply with the Procedures set forth in this Article. In such event, the Party taking action to enforce the agreement or award shall, upon prevailing, be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties in equal

proportions) all costs incurred in enforcing such agreement or award, including, without limitation, attorney's fees and court costs.

Section 16.7 Final and Binding Arbitration. Upon termination of mediation as provided in Section 16.6.3 above, if Claimant desires to pursue the Claim, Claimant shall have forty-five (45) days to deliver an arbitration notice to Respondent(s) and to initiate final, binding arbitration of the Claim under the auspices of the American Arbitration Association ("AAA") in accordance with the AAA's Commercial or Construction Industry Arbitration Rules, as appropriate. If any Claim is not timely submitted to arbitration, or if Claimant fails to appear for the arbitration proceeding, then the Claim shall be deemed waived and abandoned, and Respondent(s) shall be released and discharged from any and all liability to Claimant arising out of any such Claim. The following arbitration procedures shall be applicable to each Claim that is arbitrated:

16.7.1 The arbitrator must be a person qualified, with applicable industry experience and/or legal experience, to consider and resolve the applicable Claim.

16.7.2 No person shall serve as the arbitrator where that person has any financial or personal interest in the result of the arbitration. Any person designated as an arbitrator shall immediately disclose in writing to all Parties any circumstance likely to affect the appearance of impartiality, including any bias or financial or personal interest in the outcome of the arbitration ("Arbitrator Disclosure"). If any Party objects to the service of any arbitrator with fourteen (14) days after receipt of the Arbitrator's Disclosure, such arbitrator shall be replaced in the same manner in which that arbitrator was selected.

16.7.3 The arbitration shall be presided over by a single arbitrator. Notwithstanding any other provision of this Section 16.7, if the Parties are unable to agree upon an arbitrator to resolve a Claim, they shall request from the AAA a list of qualified arbitrators. Promptly following their receipt of the list, the Parties shall meet in person or by telephone and shall follow the AAA procedures of ranking and striking names so as to determine the person who shall serve as the arbitrator. The cost of the list shall be split equally by the Parties.

16.7.4 The arbitrator shall hold at least one hearing in which the Parties, their attorneys and expert consultants may participate. The arbitrator shall fix the date, time and place for the hearing. The arbitration proceedings shall be conducted in the County in which the Project is located unless otherwise agreed by the Parties.

16.7.5 Discovery shall be limited to document disclosures as provided by the AAA, and no other discovery shall be conducted in the absence of an order of the arbitrator or express written agreement among all the Parties. The manner, timing and extent of any discovery shall be committed to the arbitrator's sound discretion, provided that under no circumstances shall the arbitrator allow more depositions or interrogatories than permitted by the presumptive limitations set forth in Federal Rules Of Civil Procedure 30(a)(2)(A) and 33(a). The arbitrator shall levy appropriate sanctions, including an award of reasonable attorneys' fees, against any Party that fails to cooperate in good faith in discovery agreed to by the Parties or ordered by the arbitrator pursuant to this Section.

16.7.6 The arbitrator may, in his or her reasonable discretion, permit the Parties to submit pre-hearing briefs, post-hearings briefs and/or proposed findings of fact and conclusions of law. The arbitrator shall also have authority to establish reasonable terms regarding inspections, destructive testing and retention of independent consultants, if applicable.

16.7.7 The Parties agree that where any Claim, dispute or other controversy existing between them is submitted to arbitration, and any other Party may have liability with respect thereto, all Parties agree that the third parties may be joined as additional Parties in the arbitration, or if a separate

arbitration exists or is separately initiated, to the consolidation of all such arbitrations. By way of example only and not by limitation, in the event of an Alleged Defect, Declarant would have the right to join in the arbitration any design professional, contractor, subcontractor or other third party whose acts or omissions allegedly caused or contributed to the damages alleged by the Claimant.

16.7.8 The arbitration award shall address each specific Claim to be resolved in the arbitration, provide a summary of the reasons therefore and the relief granted, and be rendered promptly after the close of the hearing and no later than thirty (30) days from the close of the hearing, unless otherwise agreed by the Parties. The arbitration award shall be in writing and shall be signed by the arbitrator.

16.7.9 Any issue about whether a Claim is covered by this Article shall be determined by the arbitrator. Notwithstanding anything to the contrary, if a Party contests the validity or scope of arbitration in a court of law, the arbitrator or the court shall award reasonable attorneys' fees and expenses incurred in defending such contests, including those incurred in trial or on appeal, to the non-contesting Party.

16.7.10 The arbitrator shall apply the substantive law of Colorado and may award injunctive relief or any other remedy available in Colorado.

16.7.11 The award rendered by the arbitrator shall be final and binding, may be filed with any court of competent jurisdiction in the County in which the Project is located in accordance with applicable law and judgment obtained thereon, and execution may issue. If any Party objects to entry of judgment upon any arbitration award entered pursuant to this Section 16.7, the Party that substantially prevails in any ensuing dispute concerning the entry of judgment upon such award shall be entitled to all reasonable attorneys' fees and costs incurred in the enforcement of the award.

16.7.12 The fees and costs of the arbitration, including without limitation the arbitrator and its consultants, shall be borne equally by the Parties.

16.7.13 Except as may be required by law or for confirmation of an arbitration award, neither a Party nor an arbitrator may disclose the existence or contents of any arbitration or arbitration award without the prior written consent of all Parties to the Claim.

Section 16.8 Amendments to this Article; Standing to Enforce. Notwithstanding anything to the contrary contained in this Declaration or any of the Association Documents, the terms and provisions of this Article 16 inure to the benefit of Declarant, are enforceable by Declarant, and SHALL NOT EVER BE AMENDED OR NULLIFIED WITHOUT THE WRITTEN CONSENT OF DECLARANT and without regard to whether Declarant owns any portion of the Project at the time of such amendment. BY TAKING TITLE TO A UNIT, EACH OWNER ACKNOWLEDGES AND AGREES THAT THE TERMS OF THIS ARTICLE 16 ARE A SIGNIFICANT INDUCEMENT TO THE DECLARANT'S WILLINGNESS TO DEVELOP AND SELL THE UNITS AND THAT IN THE ABSENCE OF THE PROVISIONS CONTAINED IN THIS ARTICLE, DECLARANT WOULD HAVE BEEN UNABLE AND UNWILLING TO DEVELOP AND SELL THE UNITS FOR THE PRICES PAID BY THE ORIGINAL PURCHASERS. Any amendment made without the requisite written consent of Declarant shall be null and void and shall have no effect. Further, all employees and agents of Declarant and all contractors, subcontractors, architects, engineers and other development professionals associated with the design or construction of any portion of the Project (each a "Third Party Beneficiary") are third-party beneficiaries of this Article and of the terms and conditions contained herein, including without limitation the requirement for binding arbitration, and any Third Party Beneficiary has standing to enforce the terms and conditions of this Article, including without limitation to compel binding arbitration.

Section 16.9 Reformation. The Parties agree that reliance upon courts of law and equity can add significant costs and delays to the process of resolving Claims. Accordingly, they recognize that an essential part of the Declaration is this Article and its agreement between and among the Parties to provide for the submission of all Claims to informal negotiation and correction efforts, mediation and final and binding arbitration. Therefore, if any court or arbitrator concludes that any provision of these Procedures is void, voidable or otherwise unenforceable, the Parties understand and agree that the court or arbitrator shall reform each such provision to render it enforceable, but only to the extent absolutely necessary to render the provision enforceable and only in view of the Parties' express desire that the merits of all Claims be resolved only by arbitration and, to the greatest extent permitted by law, in accordance with the principles, limitations and procedures set forth in these Procedures.

Section 16.10 Notices; Computation of Time. All notices given or required by these Procedures shall be in writing and shall be deemed given and received (a) when hand delivered to the intended recipient by whatever means; (b) three business days after the same is deposited in the United States mail, with adequate postage prepaid and sent by certified mail, return receipt requested, or (c) one business day after the same is deposited with an overnight courier service of national reputation, with the delivery charges prepaid. In the event any date called for herein falls on a Saturday, Sunday or legal holiday for which U.S. mail service is not provided, such date shall be extended to the next business day following such Saturday, Sunday or holiday.

ARTICLE 17 OTHER ASSOCIATION MATTERS

Section 17.1 Master Association Matters. Each Owner, by accepting a deed to a Condominium Unit, recognizes that (a) the Project is subject to the Master Declaration, and (b) by virtue of ownership of the Condominium Unit, the Owner has become a member of the Master Association. Each Owner, by accepting a deed to a Condominium Unit, acknowledges that he has received a copy of the Master Declaration. The Owner agrees to perform all of his obligations as a member of the Master Association as they may from time to time exist, including, but not limited to, the obligation to pay assessments as required under the Master Declaration and other governing documents of the Master Association.

Section 17.2 Enforcement of the Master Declaration. The Association shall have the power, subject to the primary power of the executive board of the Master Association, to enforce the covenants and restrictions contained in the Master Declaration, but only as said covenants and restrictions relate to the Project, and to collect regular, special, and default assessments on behalf of the Master Association.

Section 17.3 Architectural Control.

17.3.1 No exterior or structural addition to or change or alteration to the Common Elements (including the construction of any additional window, awning or door) shall be made until the plans and specifications showing the nature, kind, shape, height, color, materials, and location of the same shall have been submitted to and approved in writing by the Executive Board as to harmony of external design and location in relation to surrounding structures and topography, and until, if necessary, the approval of the Design Review Board.

It is hereby acknowledged that there may be designated on the Condominium Map exterior walls or surfaces adjacent to certain Condominium Units which are deemed to be Limited Common Elements (but only to the extent such walls or surfaces are not structural in nature). No exterior or structural addition to or change or alteration to a Condominium Unit or to the Limited Common Elements (including the construction of any additional window, awning or door) shall be made until the plans and specifications showing the nature, kind, shape, height, color, materials, and location of the same shall have been submitted

to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Executive Board.

17.3.2 The alterations and changes described in this Article shall also be in compliance with and have received all approvals required by the Master Declaration, the Design Declaration and any applicable zoning and other laws, rules and regulations, including the rules and regulations promulgated by the Association.

Section 17.4 Limitation of Liability. NOTWITHSTANDING THE DUTY OF THE ASSOCIATION TO MAINTAIN AND REPAIR PORTIONS OF THE PROJECT, THE ASSOCIATION SHALL NOT BE LIABLE TO OWNERS FOR INJURY OR DAMAGE, OTHER THAN FOR THE COST OF MAINTENANCE AND REPAIR, CAUSED BY ANY LATENT CONDITION OF THOSE PORTIONS OF THE PROPERTY TO BE MAINTAINED AND REPAIRED BY THE ASSOCIATION, OR CAUSED BY THE ELEMENTS OR OTHER OWNERS OR PERSONS. Further, the Association shall not be liable for injury or damage to person or property resulting from any utility, rain, snow or ice which may leak or flow from any portion of the Common Elements or from any pipe, drain, conduit, appliance or equipment which the Association is responsible to maintain hereunder, except for injuries or damages arising after the Owner of a Condominium Unit has put the Association on notice of a specific leak or flow from any portion of the Common Elements and the Association has failed to exercise due care to correct the leak or flow within a reasonable time thereafter. The Association shall not be liable to the Owner of any Unit or such Owner's guest, lessee or invitee for loss or damage, by theft or otherwise, of any property which may be stored in or upon any of the Common Elements. The Association shall not be liable to any Owner, or any Owner's guest, lessee or invitee for any damage or injury caused in whole or in part by the Association's failure to discharge its responsibilities under this Declaration where such damage or injury is not a foreseeable, natural result of the Association's failure to discharge its responsibilities. No diminution or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken or performed by the Association under this Declaration, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority.

Section 17.5 Measures Related to Insurance Coverage.

17.5.1 The Executive Board, upon resolution, shall have the authority to require all or any Owner(s) to do any act or perform any work involving portions of the Project which are the maintenance responsibility of the Owner, which will, in the Executive Board's sole discretion, decrease the possibility of fire or other damage in the Project, reduce the insurance premium paid by the Association for any insurance coverage or otherwise assist the Executive Board in procuring or maintaining such insurance coverage. This authority shall include, but need not be limited to, requiring Owners to install and maintain smoke detectors or other health/safety devices, requiring Owners to allow the Association to inspect the smoke detectors or other health/safety devices on a schedule to be determined by the Executive Board, requiring Owners to make improvements to the Owner's Condominium Unit, and such other measures as the Board may reasonably require so long as the cost of such work does not exceed Five Hundred Dollars (\$500) per Condominium Unit in any twelve (12) month period.

17.5.2 In addition to, and not in limitation of, any other rights the Association may have, if any Owner does not comply with any requirement made by the Executive Board pursuant to Section 17.5.1 above, the Association, upon fifteen (15) days' written notice (during which period the Owner may perform the required act or work without further liability), may perform such required act or work at the Owner's sole cost. Such cost shall be an assessment and a lien against the Condominium Unit as provided herein. The Association shall have all rights necessary to implement the requirements mandated by the

Executive Board pursuant to Section 17.5, including, but not limited to, a right of entry during reasonable hours and after reasonable notice to the Owner or guest, lessee or occupant of the Condominium Unit, except that access may be had at any time without notice in an emergency situation.

Section 17.6 Inspection, Maintenance, Repair and Replacement of a High-Risk Component. The Executive Board may, from time to time, after notice to all Owners and an opportunity for members comment, determine that certain portions of a Condominium Unit required to be maintained by the Owners, or certain objects, equipment or appliances within a Condominium Unit pose a particular risk of damage to other Units and/or the Common Elements if they are not properly inspected, maintained, repaired or replaced. Those items determined by the Executive Board to pose such a particular risk are referred to herein as a “High-Risk Component”. The Executive Board may require one or more of the following with regard to a High-Risk Component:

17.6.1 that it be inspected at specified intervals by a representative of the Association or by an inspector(s) designated by the Executive Board;

17.6.2 that it be replaced or repaired at specified intervals, or with reference to manufacturers’ warranties, whether or not the individual component is deteriorated or defective;

17.6.3 that it be replaced or repaired with items or components meeting particular standards or specifications established by the Executive Board;

17.6.4 that when it is repaired or replaced, the installation includes additional components or installments specified by the Executive Board;

17.6.5 that it be replaced or repaired by contractors having particular licenses, training or professional certification or by contractors approved by the Executive Board; and

17.6.6 if the replacement or repair is completed by an Owner, that it be inspected by a person designated by the Executive Board.

The imposition of requirements by the Executive Board in this provision shall not relieve an Owner of his or her obligations regarding a High-Risk Component, including, but not limited to, the obligation to perform and pay for all maintenance, repairs and replacement thereof. If any Owner fails or refuses to maintain, repair or replace a High-Risk Component in accordance with the requirements established by the Executive Board hereunder, the Association may, in addition to all other rights and powers granted to it pursuant to the Association Documents, enter the Condominium Unit for the purpose of inspecting, repairing, maintaining, or replacing a High-Risk Component, as the case may be, and charge all costs of doing so back to the Owner as a special Assessment.

ARTICLE 18 DURATION OF COVENANTS AND AMENDMENT

Section 18.1 Term. The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity, subject to the termination provisions of the Act.

Section 18.2 Amendment. The provisions of this Declaration may be amended or terminated, in whole or in part, from time to time, upon the written consent or vote of Owners representing an aggregate voting interest of sixty-seven percent (67%) or more of all ownership votes in the Association. Notwithstanding the foregoing, any proposed amendment to this Declaration (a) which modifies or affects any rights, obligations or restrictions of Declarant shall require the prior written approval of Declarant, (b) which modifies or affects any rights, obligations or restrictions of a particular class of Owners shall require the written consent or vote of Owners representing an aggregate voting interest of sixty-seven percent (67%)

or more of all ownership votes in the particular class of Owners, and (c) which proposes to amend a provision requiring a vote higher than sixty-seven percent (67%) of all ownership votes in the Association shall require the written consent or vote of Owners holding the higher percentage of votes as set forth in such provision, in each case in addition to the approval requirements otherwise set forth in this Section above.

Section 18.3 Unilateral Amendment Rights Reserved by Declarant. Notwithstanding the provisions of Section 18.2 above or any other provision of this Declaration, Declarant, acting alone, reserves to itself the right and power to modify and amend this Declaration to the fullest extent permitted under the Act.

Section 18.4 Recording of Amendments. Any amendment to this Declaration made in accordance with this Article 18 shall be immediately effective upon recording in the office of the Clerk and Recorder of the County of Eagle, Colorado, of a copy of the amendment, executed and acknowledged by the Association and accompanied by a certificate of the secretary of the Association stating that the required number of consents or votes of Owners was obtained.

ARTICLE 19 DECLARANT RIGHTS EXERCISE, EXPIRATION AND TRANSFER

Any right or any interest reserved or granted to Declarant under this Declaration or the Act or otherwise contained in this Declaration or the Act for the benefit of Declarant ("Declarant Rights") may be exercised by Declarant from time to time as provided herein or therein but in any event such Declarant Rights shall expire and terminate without further act or deed twenty-five (25) years after the date of recording of this Declaration. Declarant Rights may be transferred or assigned by Declarant, either separately or with one (1) or more other such rights or interests, to any person, corporation, partnership, association, or other entity, by written instrument executed by both Declarant and the transferee or assignee and recorded in the office of the Clerk and Recorder of the County of Eagle, Colorado.

ARTICLE 20 MISCELLANEOUS

Section 20.1 Restriction on Declarant Powers. Notwithstanding anything to the contrary in this Declaration, no rights or powers reserved to Declarant hereunder shall exceed the time limitations or permissible extent of such rights or powers as restricted under the Act. Any provision in this Declaration in conflict with the requirements of the Act shall not be deemed to invalidate such provision as a whole but shall be adjusted as is necessary to comply with the Act.

Section 20.2 Enforcement. Enforcement of the covenants, conditions, restrictions, easements, reservations, rights-of-way, and other provisions contained in this Declaration and the other Association Documents shall be through any proceedings at law or in equity brought by any aggrieved Owner, the Association, or Declarant against the Association or any Owner. Such actions may seek remedy by injunction or restraint of a violation or attempted violation, or an action for damages, or any of them, without the necessity of making an election.

Section 20.3 Nonwaiver. Failure by Declarant, the Association, or any Owner or First Mortgagee to enforce any covenant, condition, restriction, easement, reservation, right-of-way, or other provision contained in this Declaration shall in no way or event be deemed to be a waiver of the right to do so thereafter.

Section 20.4 Severability. The provisions of this Declaration shall be deemed to be independent and severable, and the invalidity of any one (1) or more of the provisions of it by judgment or court order or decree shall in no way affect the validity or enforceability of any of the other provisions, which provisions shall remain in full force and effect.

Section 20.5 Number and Gender. Unless the context provides or requires to the contrary, the use of the singular herein shall include the plural, the use of the plural shall include the singular, and the use of any gender shall include all genders.

Section 20.6 Captions. The captions to the Articles and Sections and the Table of Contents at the beginning of this Declaration are inserted only as a matter of convenience and for reference, and are in no way to be construed to define, limit, or otherwise describe the scope of this Declaration or the intent of any provision of this Declaration.

Section 20.7 Conflicts in Legal Documents. In case of conflicts between the provisions in this Declaration and the articles of incorporation of the Association and the bylaws of the Association, this Declaration shall control. In case of conflicts in the provisions in the articles of incorporation of the Association and the bylaws of the Association, the articles of incorporation of the Association shall control. In the event of any conflict between the provisions of this Declaration and the provisions of the Master Declaration, the Master Declaration shall control.

Section 20.8 Exhibits. All the Exhibits attached to and described in this Declaration are incorporated in this Declaration by this reference.
